# INVITATION

Date: 04-01-2020.

To

The Director/Principal

Dear Sir/Madam,

It gives us immense pleasure to inform you that, our college is organizing a five day short term course on "**IoT in Manufacturing**" from  $6^{th}$ – $10^{th}$  January 2020. The program will be conducted by senior faculty members from NITTTR-Chandigarh.

This course will enable the participants to understand the transformation taking place, throughout the world, in design and manufacturing of products through IoT - a shift from paper based processes to digital processes in the manufacturing industry. It will introduce the hands on implementation of smart connected systems design using Internet of Things, Cloud storage and industrial automation. Students can able to design the smart connected systems and can apply the appropriate technologies and protocols in their design and automation.

We cordially invite your college faculty members to participate in this STC. We deem it honour if your faculty members would join us in good number in this program. We request you to kindly give wide publicity by circulating the brochure enclosed among the faculty members of your college and encourage them to take part in this program.

We look forward for your Co-operation and active participation of your faculty members.
