Date/Duration: 01/07/2020 at 3pm

Name of the Resource person: **proof. Sanjay Inamdar, Entrepreneur** and founder of flacon, MIT, Harvard

Number of participants: 115

Program objective:

To encourage and instil the students to use this app and provide awareness among the students.
Benefit in terms of learning/Skill/Knowledge

- How make secure for our selves
- How to analysis our health condition
- Make sure away from the covid patient
- To know which area is dangerous
- To find nearer covid health care centres

Topics covered: The following topics were discussed in this workshop

- Awareness about Arogya setu app – Concept & Present Scenario
- Identification of Corona health care centres
- To know symptoms of covid

Program outcomes:

- Proper information about this app
- Helps to get day to day update about this virus
- Self-assessment
- Your health status

Program Report

Program Name: National Education Policy with A Focus on Innovation and Entrepreneurship

Date/Duration: 13-11-2020 / 1:30 pm to 3:30 pm

Name of the Resource person:

1. M.Sreenivasa Kumar, Principal, Narasaraopeta Engineering College (Autonomous), Narasaraopeta. Ph: 9440757039, E-mail: principal@nrtec.in.

Number of participants: Teaching staff 100 and Students 100

Program objective:

The general aim and objectives of education in India is to cater to the all-round development of the individual. Further, it should foster the development of the child's latent potentiality. Education must not only enrich and develop the individual but must help him to become a useful and productive member of society. The vision of the National Education Policy is: National Education Policy 2020 envisions an India-centric education system that contributes directly to transforming our nation sustainably into an equitable and vibrant knowledge society by providing high-quality education to all.

Topics covered: 1) India-centric education system

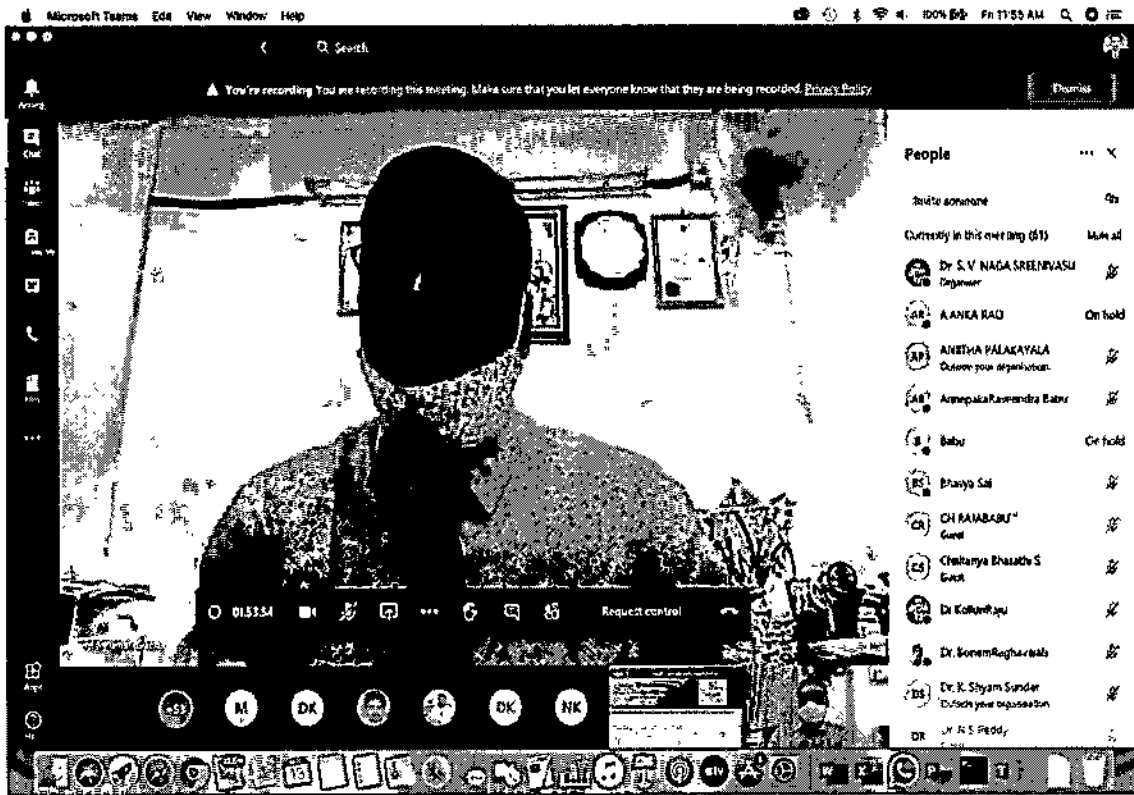

2) Transforming our nation sustainably

3) vibrant knowledge society by providing high-quality education to all

Program outcome:

- Educational outcomes are the criteria used to select materials, outline content, develop instructional procedures, and prepare tests and examinations. Educational outcomes must be learner rather than educator based.

Program Report

Program Name: Intellectual Property Rights (IPRs) and IP Management for start up

Date/Duration: 16/06/2021/ 2:00 pm to 4:00 pm

Name of the Resource person:

1. M. Srinivasa Kumar, Principal, Narasaraopeta Engineering College (Autonomous),
Narasaraopeta. Ph: 9440757039, E-mail: principal@nrtec.in.

Number of participants: Students 30

Program objective:

IPR allows a startup that has developed an innovative device to compete effectively against large companies after patenting its invention. If a startup has a unique unpatented invention, larger rivals can easily copy, manufacture, and market it, effectively negating the start-up's effort to create its invention. IP can be a unique selling proposition (USP) of the product or service in today's competitive and dynamic world. It helps create a sustainable and defensible differentiator for the startup. Moreover, by creating a high entry barrier, it helps start-ups to grow faster with respect to its competitors

Topics Covered:

Copyrights, Patents, Trademarks, and Trade Secrets – Four Types of Intellectual Properties.

Program Outcome:

- Register copyrights, trademarks, and patents. ...
- Register business, product or domain names. ...
- Create confidentiality, non-disclosure or licensing contracts for employees and partners. ...
- Implement security measures. ...
- Avoid joint ownership

Webinar
on
Successful Start-up founder (Entrepreneurs in Campus)

Report

The poster is for an interactive session titled "Successful Start-up Founders (Entrepreneurs in Campus)". It is organized by IQAC & IIC at Narasaraopeta Engineering College (Autonomous). The session is scheduled for 07.07.2021 from 10:30 AM to 12:30 PM. The speaker is K. Chiranjeevi, Managing Partner of Indian Metal Works. The session will be conducted through Microsoft Teams. Logos for NEC, NAAC, NBA, and IIC are displayed at the top.

Interactive Webinar on “Successful Start-up founder (Entrepreneurs in Campus)” was organized on 07-07-2021 under the banner of IQAC & IIC of the Narasaraopeta Engineering College, Narasaraopeta.

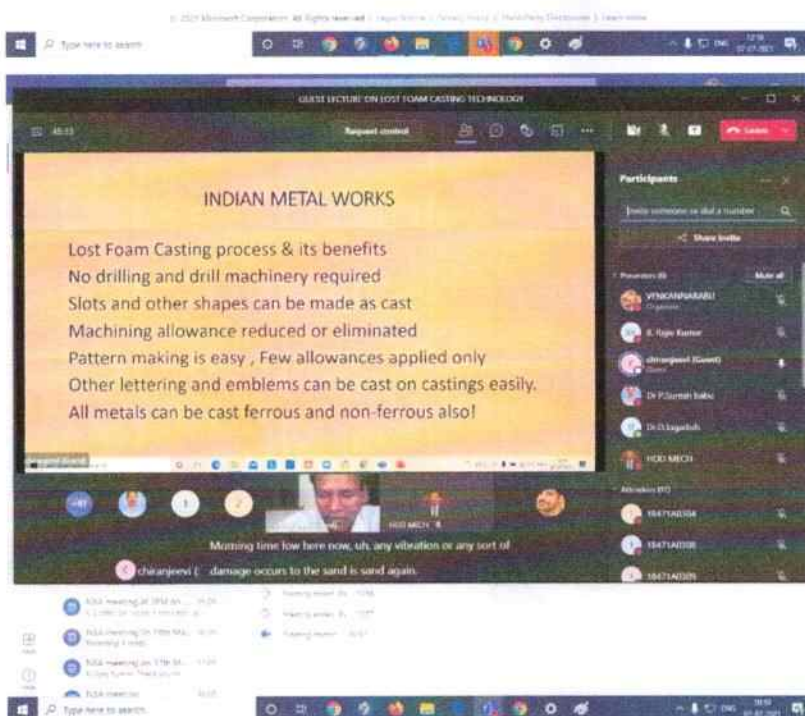

The speaker (Entrepreneur) for this program was Mr. K.Chiranjeevi, Managing Partner, INDIAN METAL WORKS, Addanki, Praksam District, and A.P. and around 130 students of different departments of Narasaraopeta Engineering College, Narasaraopet have participated in the program. Faculty members were also present during the online lecture. The entire program was conducted online through Microsoft teams.

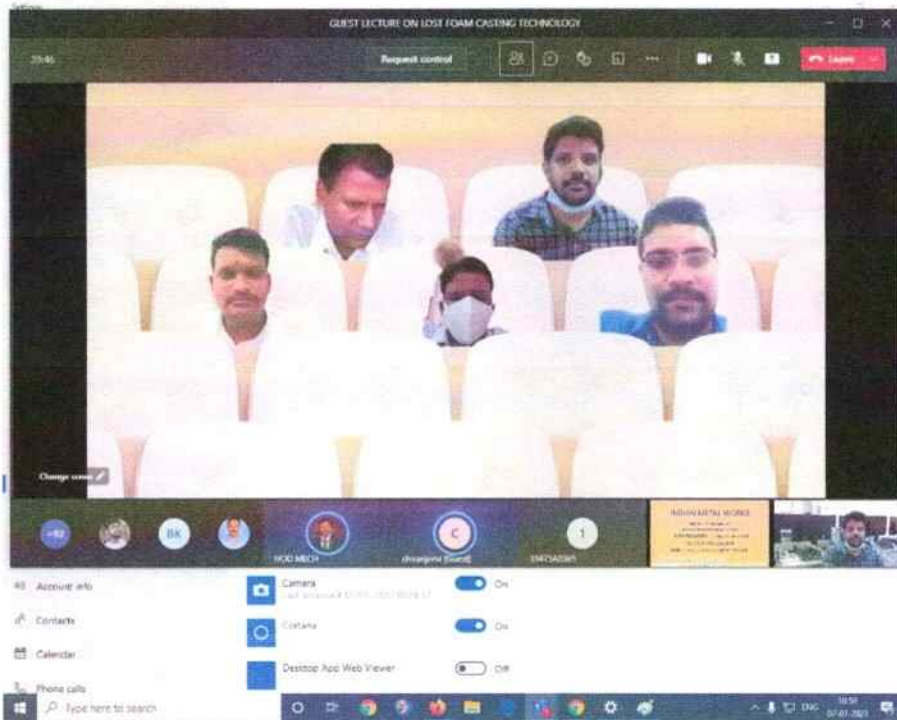

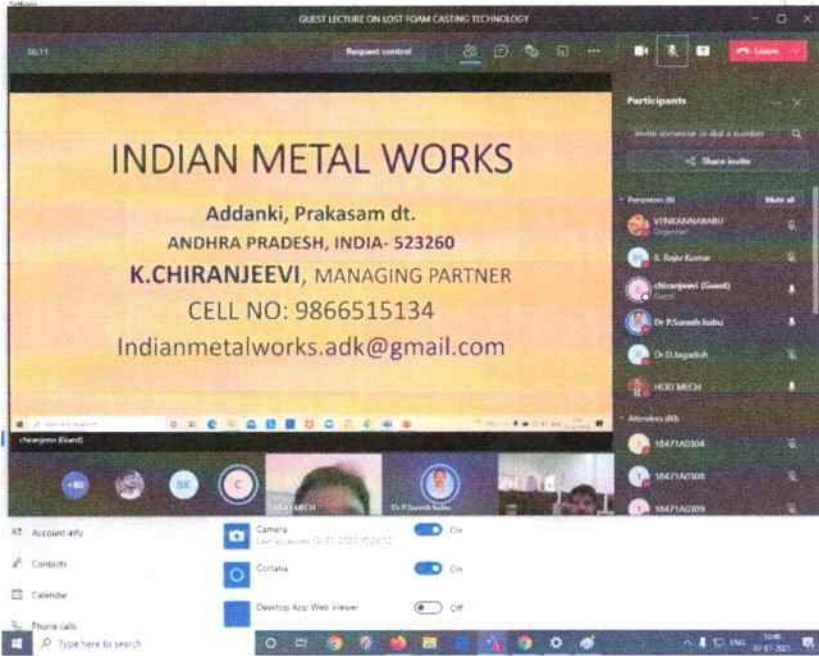

The session was very interactive on topics like role of entrepreneurship, experiences of the individuals with several start-ups. Later the topics covered how to execute the start-up and finishing the desired task when the goal is set.

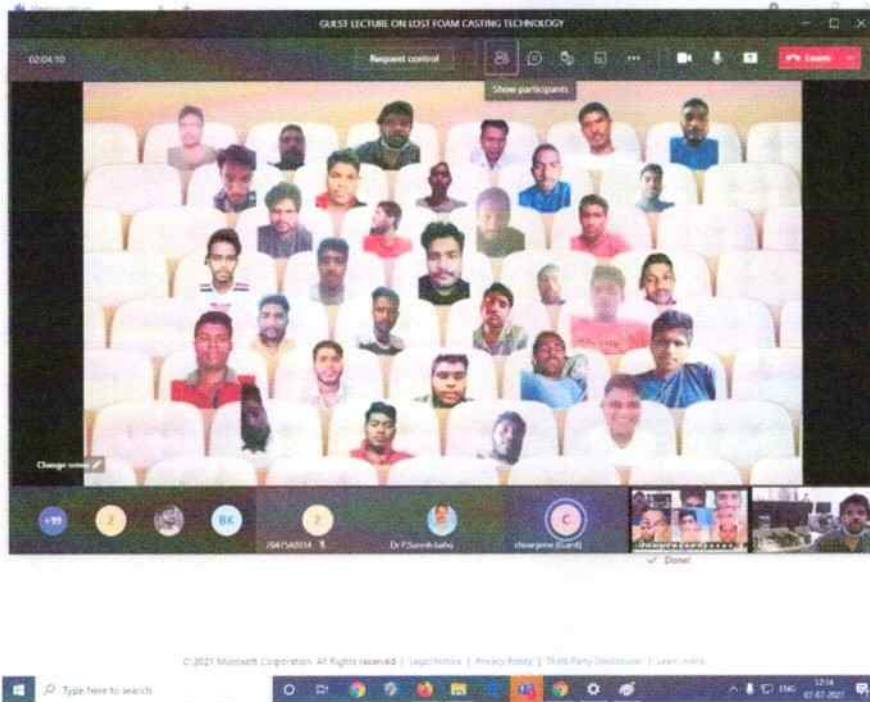

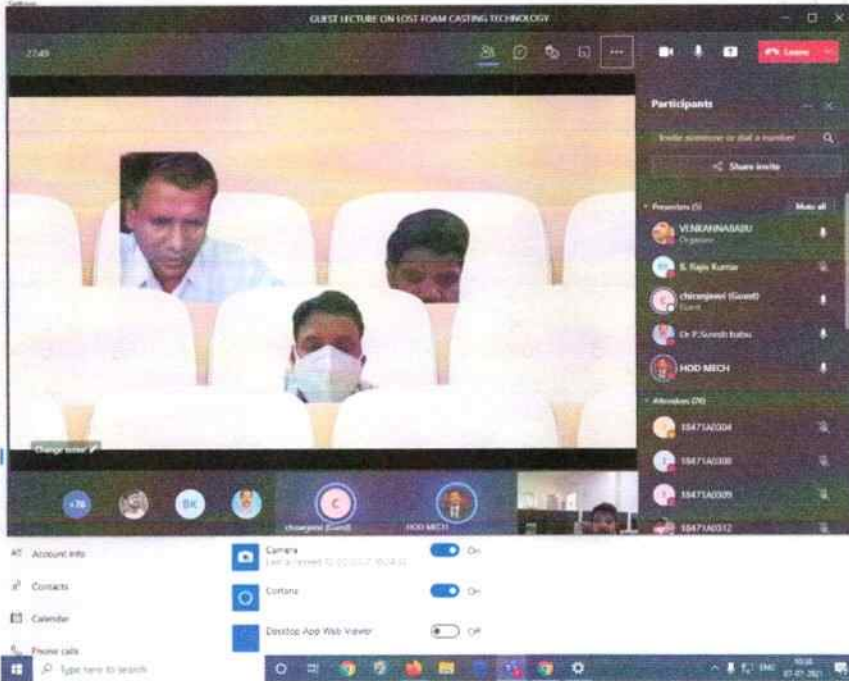

Lecture also covered how to manage the workforce with affective utilization of human resources and receiving effective mentorship. Some topics were also covered on Estimation of risk which is an important skill to become a successful entrepreneur. The experience of the resource person in managing the firm has been shared with students.

Overall the session was very attractive with glimpse on entrepreneur skills and start-up motivation to students along with some technical and managerial aspects of the metal industry organized by resource person.

“A start-up needs people who will take ownership & responsibility to get things done”
