This Memorandum of Understanding ("MOU") is effective from the date of signatures below ("Effective Date"); hereinafter, each a "Party" or together, "the Parties". EduSkills will be referred as 'First party' and other party will be referred as 'Second party'.

The Parties have been discussing a proposed collaboration in the area of "Skill Development, IT Education and Workforce Development Programs" ("Collaboration Areas").

Now the Parties agree as follows:

A. NON-BINDING TERMS.

The Parties understand that MOU is intended only to summarize the current understanding of the parties with respect to the principal terms of the proposed collaboration.

The Parties understand that this MOU is intended only to summarize the current understanding of the Parties with respect to the Collaboration Areas and to facilitate their further discussions regarding certain objectives of the proposed partnership, as more fully described in Exhibit A, which are non-binding on the Parties. The terms and objectives set forth in Exhibit A shall be used for discussion purposes only and shall not be deemed to create any rights or obligations for or on behalf of any Party.

B. BINDING TERMS

The Parties hereby acknowledge and agree that the following subsections under this Section B (Binding Terms) shall be binding and create legal rights and obligations on the Parties.

1. Confidentiality

In this MOU, "Confidential Information" means any information or data, irrespective of the form and nature thereof, that is material to the Party disclosing such information ("Discloser") to the other Party ("Recipient"), including, but not limited to technical know how, specifications, designs, models, software, techniques, drawings, processes, as well as industrial and intellectual property rights, business information, trade secrets, customer lists, financial information, process, costs, sales and marketing plans, information posted on their respective websites or any other information with the Recipient knows or reasonably ought to know is confidential, proprietary or trade secret information of the Discloser.

The Recipient shall at all times, both during the term of this MOU and for a period of at least three (3) years after its expiration or termination, keep in trust and confidence all such Confidential Information, and shall not use such Confidential Information other than for the purpose of fulfilling its obligations under this MOU, nor shall the Recipient disclose any such Confidential Information to any third party without the Disclosing Party's prior written consent. Upon termination of this MOU or written request from the Discloser, the Recipient shall, within fifteen (15) days from such termination or request, return all Confidential Information and any and all copies thereof to the Discloser, or at the Discloser's option, destroy the Confidential Information and any and all copies thereof, and certify such destruction.

The obligations of confidentiality set forth herein shall not apply to information which;

- a. Was rightfully in possession of or known to the Recipient without any obligation of confidentiality prior to receiving it from the Discloser;
- b. Is, or subsequently becomes, legally and publicly available without breach of this MOU;
- c. Is rightfully obtained by the Recipient from a source other than the Discloser, without any obligation of confidentiality; or
- d. Is developed by or for the Recipient without use of the Confidential Information.

All Confidential Information is provided "AS IS". The Discloser shall not be liable for any inaccuracy or completeness of the Confidential Information, nor are there any express or implied representations or warranties by either party to the other, including with respect to the infringement of any intellectual property rights or any right of privacy, or any rights of third persons.

2. Scope

The scope of this MOU does not cover any development work, testing, licensing, distribution, support, sales, or maintenance. Should the Parties decide to pursue such matter that is outside the scope of this MOU, the Parties shall enter into a development, license, distribution, or other appropriate written agreement(s) accordingly.

3. Publicity

The Parties hereby agree that no press release or other public announcements regarding this MOU or any agreements contemplated thereby shall be made without prior review and written agreement signed by a duly authorized representative of the other Party.

4. Term and Termination

The Parties agree that this MOU shall be effective as of the Effective Date and shall continue in effect until the earliest occurrence of one of the following: (1) the execution of a definitive MOU or definitive agreement relating to the scope of this MOU; (2) written notice by one Party to the other of termination of this MOU; or **thirty six (36) months** from the Effective Date of this MOU. Section B (including all subsections) shall survive any termination of this MOU. Upon expiry of the Term, it is the intention of the Parties to further progress the solutions initiated under this MOU towards overall achievement of the objectives and outcomes contemplated herein. Second party shall, to this extent, endeavor to continue maintaining and promoting such solutions and projects to further the objectives set forth in the MOU.

5. Limitation of Liability

Except for liability relating to either Party's breach of the other Party's confidential information or intellectual property rights, in no event shall either Party be liable to the other Party for any direct, indirect, incidental, special, punitive or consequential damages or loss of profits, lost revenue or loss of data.

Notwithstanding the foregoing, nothing in this MOU shall limit the Parties liability for bodily injury or death caused by its negligence or its liability in the tort of deceit.

6. Intellectual property rights

Each Party will retain the exclusive rights, title and ownership of all its pre-existing Intellectual Property, Confidential Information and materials (including, without limitation, proprietary ideas, sketches, diagrams, text, know-how, concepts, proofs of concepts, artwork, software, algorithms, methods, processes, identifier codes or other technology) owned or developed by such Party.

7. Governing laws and jurisdiction

The Parties shall make efforts in good faith to amicably resolve all disputes as may arise out of or in connection with this MOU. This MOU shall be subject to and governed by the laws of India and the Indian courts shall have exclusive jurisdiction over any claim arising under this MOU. Notwithstanding the foregoing, either Party may seek interim injunctive relief in any court of appropriate jurisdiction with respect to any alleged breach of such Party's intellectual property or proprietary rights.

8. Costs

Unless otherwise agreed upon in writing, each Party shall bear its own costs and expenses arising in connection with this MOU and the possible negotiations, completion and implementation of definitive Agreements if any, including but not limited to costs of experts, consultants, lawyers and travel expenses.

Objectives of the Collaboration:

- To provide employable skills to the students of Narasaraopeta Engineering College.
- Make the student aware of the latest tools and techniques in order to keep them industry ready at the end of their course.
- Offer the course at an affordable price to the students of Narasaraopeta Engineering College.
- Increase the employability of the student and maximize on the placement opportunities available.
- To build and improve the confidence level of the student to face the challenges of real time.

This Memorandum of Understanding is to conduct a Unique, Step – By – Step, Systematic, and Employable Skills Development Program for the students of **Narasaraopeta Engineering College** towards achieving the objective of maximizing the employable opportunities for students of **Narasaraopeta Engineering College**.

This Memorandum of Understanding states the terms and conditions under which the Trainings shall be conducted by **LSIT** at the premises of **Narasaraopeta Engineering College** and lists herein the respective responsibilities of both parties.

PREAMBLE:

To get a student employable and placed in an organization; over and above the subject knowledge he / she is expected to have the following:

- Strong Fundamental Engineering Knowledge
- Engineering related Multiple Technical Skills - Develop skills that add value

While Subject Knowledge would be provided by **Narasaraopeta Engineering College**, **LSIT** will equip the students with required industry specific land surveying, levels, levels transfer, benchmark setting, setting out/stake out/ marking skills.

On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand, Industry requires millions of young minds at all levels but are unable to find the right candidate. This is because of the skill gap that exists between the student and industry requirements. This skill gap is sought to be minimized for the students of **Narasaraopeta Engineering College** by facilitating them to acquire the appropriate and relevant skills at **Narasaraopeta Engineering College** itself through this program.

LSIT Shall Provide

- Comprehensive **LSIT** reference and notes to all students for the course.
- Qualified Instructors for the course.
- Periodical Assessment of the progress of students for their further improvements.
- 'Certificate of Completion' to every student who successfully completes the training program.
- "Certificate of Appreciation" to the college.
- A "link to **Narasaraopeta Engineering College** website" from **LSIT** website www.landsurveying.com

- Provide all support to LSIT in the marketing initiatives undertaken by LSIT to enroll students in the courses offered by LSIT Centre. Narasaraopeta Engineering College will provide all infrastructural facilities for the marketing initiatives undertaken by LSIT.
- Boarding and Lodging facilities for the trainers.

PARTICIPANTS:

The participants would be the Students of *Narasaraopeta Engineering College* from Civil Engineering Department from 3rd to the 8th Semesters mentioned in ANNEXURE .

COURSE CONTENTS:

LSIT in consultation with *Narasaraopeta Engineering College* shall finalize the courses and fees for the skills development program. The same is provided in the Annexure. These will be reviewed every year and suitable changes, if required, will be incorporated. As the requirement of each course is different, courses and fees have been worked out separately.

TIME SCHEDULE

The programs will be conducted during the days and timings provided by *Narasaraopeta Engineering College*. The students will be divided into batches, depending on the total strength. The programs will be conducted according to the Time Table drawn up with the mutual consent of LSIT and *Narasaraopeta Engineering College*. Utmost care will be taken to frame the time table in such a way that it does not coincide with college exams enabling the student to complete his training ahead of the exams. LSIT will not conduct any classes during the time of exams. In case of any change in training schedule the same will be intimated to the Program Coordinator of *Narasaraopeta Engineering College*. Similarly, if *Narasaraopeta Engineering College* wants a change in training schedule the same may be communicated to the Programme Coordinator of LSIT. In either of the case, a revised training schedule has to be made and the Programme Coordinators of both LSIT & *Narasaraopeta Engineering College* and the respective students must be informed about the change in training schedule by means of suitable media (emails/posters/circulars/notice board displays).

Programme Coordinator

The Principal of *Narasaraopeta Engineering College* shall appoint a "Programme Coordinator" for the duration of the program, who shall liaise with LSIT and make the training process learner-friendly and effective. LSIT shall work in close relationship with the Programme Coordinators, who in-turn shall keep a close touch with the students. In the event of any difference of opinion between LSIT and the Programme Coordinator, the matter should be referred to the Principal of *Narasaraopeta Engineering College*, whose decision thereon shall be final and binding on both the parties.

COMMENCEMENT OF COURSE

Narasaraopeta Engineering College will ensure that the courses will start within 90 (Ninety) days from the date of signing of MOU. LSIT will ensure that the courses will commence from **(DATE, Month & Year)** on intimation from *Narasaraopeta Engineering College*. However exception can be made due to reasons mentioned in the Course Completion Clause or due to delay on *Narasaraopeta Engineering College's* side.

COURSE FEES & PAYMENT PATTERN

The course fee per student for each course offered is decided and mutually agreed upon by both the parties. The course, course fee, course deliverables, number of students & batch timings are available in the Annexure. The student shall pay the course fee directly to *Narasaraopeta Engineering College* before the start of the course. The college shall provide 40% of the total cost before the commencement of the course. The remaining 60% shall be paid at the end.

COURSE COMPLETION:

While LSIT will endeavor to complete the course as per the schedule mutually agreed upon and mentioned in Annexure, LSIT will not be responsible and accountable for delay in completing the course due to reasons which are beyond the control of LSIT. Reasons beyond the control of LSIT include – acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, labor dispute, strike, lockout or interruption or failure of electricity or telephone service, failure and non – availability of Computer Systems, non – availability of Classrooms), law and order problems, students unrest/strike/boycott, unscheduled changes in college curriculum and other unforeseen circumstances.

- Course will be completed as mentioned in ANNEXURE .

While it is mandatory for the student to have undergone the complete course as mentioned in ANNEXURE to be eligible for a Course Completion Certificate. In case he/she opts out due to any reason an appropriate certificate will be issued for only for that course completed by the student. Students will not be eligible for Certification for the courses that they have not completed.

LSIT will not issue "Certificate of Completion" to the successful student, if full payment is not made. LSIT will refund the fees once paid if the student opts out or discontinues the course at any stage due to any reason.

EXCLUSIVITY

Narasaraopeta Engineering College will ensure that during the period of the MOU, Department of civil engineering-*Narasaraopeta Engineering College* will not allow or permit any of the direct and indirect competitors of LSIT to either do any promotional activities, advertising in any form, publicity of any kind, canvass for students and enroll the students. - Strong Fundamental Engineering Knowledge
- Engineering related Multiple Technical Skills - Develop skills that add value

While Subject Knowledge would be provided by **Narasaraopeta Engineering college**, **LDR** will equip the students with required industry specific land surveying, levels, levels transfer, benchmark setting, setting out/stake out/ marking skills.

On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand, Industry requires millions of young minds at all levels but are unable to find the right candidate. This is because of the skill gap that exists between the student and industry requirements. This skill gap is sought to be minimized for the students of **Narasaraopeta Engineering college** by facilitating them to acquire the appropriate and relevant skills at **Narasaraopeta Engineering college** itself through this program.

TIME SCHEDULE

The programs will be conducted during the days and timings provided by *Narasaraopeta Engineering college*. The students will be divided into batches, depending on the total strength. The programs will be conducted according to the Time Table drawn up with the mutual consent of LDR and *Narasaraopeta Engineering college*. Utmost care will be taken to frame the time table in such a way that it does not coincide with college exams enabling the student to complete his training ahead of the exams. LDR will not conduct any classes during the time of exams. In case of any change in training schedule the same will be intimated to the Program Coordinator of *Narasaraopeta Engineering college*. Similarly, if *Narasaraopeta Engineering college* wants a change in training schedule the same may be communicated to the Programme Coordinator of LDR. In either of the case, a revised training schedule has to be made and the Programme Coordinators of both LDR & *Narasaraopeta Engineering college* and the respective students must be informed about the change in training schedule by means of suitable media (emails/posters/circulars/notice board displays).

Programme Coordinator

The Principal of *Narasaraopeta Engineering college* shall appoint a "Programme Coordinator" for the duration of the program, who shall liaise with LDR and make the training process learner-friendly and effective. LDR shall work in close relationship with the Programme Coordinators, who in-turn shall keep a close touch with the students. In the event of any difference of opinion between LDR and the Programme Coordinator, the matter should be referred to the Principal of *Narasaraopeta Engineering college*, whose decision thereon shall be final and binding on both the parties.

COMMENCEMENT OF COURSE

Narasaraopeta Engineering college will ensure that the courses will start within 90 (Ninety) days from the date of signing of MOU. LDR will ensure that the courses will commence from (**DATE, Month & Year**) on intimation from *Narasaraopeta Engineering college*. However exception can be made due to reasons mentioned in the Course Completion Clause or due to delay on *Narasaraopeta Engineering college's* side.

COURSE FEES & PAYMENT PATTERN

The course fee per student for each course offered is decided and mutually agreed upon by both the parties. The course, course fee, course deiverabes, number of students & batch timings are available in the Annexure . The student shall pay the course fee directly to *Narasaraopeta Engineering college* before the start of the course. The college shall provide 40% of the total cost before the commencement of the course. The remaining 60% shall be paid at the end.

ANNEXURE -I

After the MoU agreement is done between the Institution and Publishers, both the institution and the company should follow the rule and regulations of the MoU. The MoU terms and conditions are mentioned below:

1. The work will be started from the 1st year only after the MoU.
2. The work order should be given for the textbooks and lab manuals as per the syllabus and according to the student's strength in the corresponding academic year.
3. The content should be developed as per the prescribed syllabus. If there exists any difficulty in writing the content then we will take the responsibility of developing the content for the particular subject.
4. The institution should assign the editorial board (writing, editing, proof) for all subjects department wise.
5. The work order should be issued before six months of the semester and in the case of any problem work order should be issued before three months of the semester.
6. The 50% payment should be paid when the work order is issued by estimating the total project cost. Remaining balance cost should be paid within 20 days after the supply of books.
7. The meeting with the authors should be scheduled for discussing the names of the authors who are writing the material and the name which should be printed on the book.
8. The work order should be issued for every semester by semester from the beginning of 1st year onwards till the completion of five batches.
9. The institution should assign a coordinator for further communication with us related to the work.
10. The institution should decide whether the books are issued to the students with free of cost or by collecting any fees and inform the students before the admissions only for every semester for avoiding the problem.
11. Some colleges are autonomous and university affiliation in your institution. So, the books are developed by integrating the syllabus both for the common subjects like C, Java, EDC, Surveying, Machines, Maths, Physics, Chemistry, and English. The price will be reduced as the quantity will be increased.
12. A common Whatsapp Group and an email-id should be created for the better communication for all the authors and company staff as the work will move comfortably.
13. Any printing works like library text examination answer sheets, graph sheets, attendance registers, brochures, single colour and multi colour printing works can be done as per the printing cost as we are in the MoU.

- G) CANTER CADD was established in 2004 with a simple, deeply committed vision to unleash the power of Engineering. Engineering is a great power. It fuels the world's economy, makes our life wonderfully safe and comfortable and fills the world with wondrous products and services and unleashes the power of human's mind! Very early it was understood the future and wanted to seize the opportunity and provide leadership and make an impact in the field of computer technology used in Engineering. In the following they have made clear what specifically drives them. It has explained why there is a need for in-depth training of these computer technologies, how they have put in place the most efficient training program, their success story to date and finally why the road ahead is almost endless and the fact that it has miles to go.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **NARASARAOPETA ENGINEERING COLLEGE (Autonomous), Kotappakonda Road, Narasaraopet, Guntur, Andhra Pradesh 522601** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

I. PREAMBLE/ BACKGROUND

Brief about APSSDC:

APSSDC is a unique organization formed as a public private partnership (PPP) corporation to promote skill-development & entrepreneurship in the state of Andhra Pradesh. APSSDC is the Executive Agency for the Department of Skill Development, Entrepreneurship and Innovation, Govt. of Andhra Pradesh (GoAP) serving the important task of providing high quality skilled manpower as part of the Knowledge and Skills Mission of GoAP. The main objective of the Corporation is to implement a structured and pragmatic solution to skill & upskill the workforce in the State of Andhra Pradesh and to increase employability and promote entrepreneurship in sync with Industrial growth of the State.

Brief about ECM:

ECM based in Aachen was founded in 1981. ECM has been working in the fields of robotics, sensor technology, and information and communication technology for more than 30 years. Engineers and technicians from various disciplines develop and implement interdisciplinary concepts and solutions in collaboration with national and international industrial partners, public procurers and researchers.

ECM is into education and research in the field of Mechatronics and Industrial Robotics focusing Industry 4.0 which is planned to implement the similar ecosystem in state of Andhra Pradesh.

ECM will be organizing the skill development training programs in collaboration with their German partner, GC German Center for Engineering and Management Studies (GEMS).

Brief about Narasaraopeta Engineering College (NEC):

Narasaraopeta Engineering College, an Autonomous Institution with permanent affiliation to JNTUK, Kakinada is one of the top Engineering Colleges in Guntur and listed among the top 10 engineering colleges in Andhra. The college is offering B.Tech, M.Tech, MBA and MCA programs. The college is approved by AICTE, twice NBA Grade 'A', NAAC Govt of AP. Narasaraopeta Engineering College today

multidisciplinary courses with a focus on both academy and research, and is fast becoming a thriving source of multiple avenues in entrepreneurship and employment.

NEC is sponsored by the Gayatri Educational Development Society (GEDS) and approved by the AICTE, New Delhi, with NBA and NAAC accreditations. It also has permanent affiliation to JNTU-Kakinada. The college has strong links with some of the biggest peer universities and institutes, and companies at the national and international levels, which in return help in enhancing the research quality and enriching its educational programmes.

PURPOSE:

- A. This engagement will aim to skill the engineering graduates from the state of Andhra Pradesh in Mechatronics and Industrial Robotics. It was proposed to establish Indo-European Skilling Centers for Mechatronics and Industrial Robotics in 40 Engineering Colleges across the state of Andhra Pradesh. ECM has selected select 11 Engineering Colleges initially in collaboration with APSSDC under pilot phase.
- B. To impart robotics-centric courses as per Annexure-1 to the students of the college viz. Third Party.
- C. To provide end to end skill training including assessment, certification and facilitating placements to the trained students.
- D. The robotics infrastructure established in the respective college henceforth called Applied Robotic Control Labs (ARC Labs).

E. ROLES AND RESPONSIBILITIES:

FIRST PARTY - APSSDC shall

- select reputed engineering colleges/Universities in collaboration with ECM through a stipulated procedure;
- provide a platform for registration of trainees online and mapping of institutions and students;
- develop course curriculum in collaboration with other parties to suit latest and future technologies;
- prepare over all calendar of training programs and communicate to Second Party;
- organize Training Programs for all diploma and under graduate engineering students;
- prepare operational guidelines for ARC labs to be followed by the other two parties;
- promote Research & Development and Innovation for existing Industries;
- exercise its right to cancel the permission now granted to the institutions in the event of not fulfilling their obligations.

SECOND PARTY -ECM shall

- establish the research nodal centers named as "Applied Robotic Control Labs" (ARC) at state level in Andhra Pradesh as part of the "Indo-European Skilling Centres for Mechatronics and Industrial Robotics" in the Engineering Colleges in collaboration with its European partners and shall be utilized for ARC 3.0 course;
- develop the courses according to the market needs in India and execute with academic planning in collaboration with APSSDC and also conduct training of trainers/faculties. At present, three courses are offered under the initiative as given under Annexure-1;
- to provide training in collaboration with partnered Colleges and its certification along with their European partners;
- provide support for conducting job melas and facilitate for placements through the following activities;
 - ECM will bring several professionals and companies to AP to impart valuable skills and entrepreneurship abilities to students and facilitate placements in respective Industry.
 - ECM should facilitate employment to potential candidates after ARC 3.0.
 - ECM should provide internship to successful students in India and Germany as well.
- impart the courses and provide assistance to employment and higher education opportunities to the students who had successfully completed the program;
- consider the students from these trainings as a priority to provide employment and higher education;
- establish a common research location/representation for transnational research projects between German and Indian partners in Andhra Pradesh;
- collaborate for dissemination of knowledge on cutting edge technologies to faculty and research programs;
- along with their European partners to provide commercial support as a part of student course along with APSSDC;
- conduct job melas at least twice a year in collaboration with APSSDC;
- ensure conducting assessments as per standard assessment pattern and shall provide certificate to the successful students;
- follow the guidelines as specified by APSSDC from time to time;
- submit all reports and documents relating to progress of the students on rolls, Accounts, Audit and Annual Work Plan, as specified at such frequency as may be required by APSSDC.

THIRD PARTY -The College shall

- establish ARC lab along with necessary infrastructure in collaboration with ECM;
- provide training to the students as per the course curriculum;
- depute required faculty to manage and co-ordinate Trainings in ARC labs;
- collaborate for dissemination of knowledge on cutting edge technologies to faculty and research programs;

APS GmbH European Center for Mechatronics

- provide support for conducting job melas and facilitate placements alongwith ECM;
- take care of insurance and regular maintenance pertaining to Hardware installed in ARC labs;
- follow the guidelines as specified by APSSDC from time to time;
- submit all reports and documents relating to progress of the students on rolls, Accounts, Audit and Annual Work Plan, as specified at such frequency as may be required by APSSDC.

Compliances:

- **KPIs** - Key Performance Indicators (KPIs) will be developed by APSSDC in mutual consultation with colleges and ECM.
- **Monitoring:** The activities of ARC Labs shall be regularly monitored through by APSSDC and also through the monitoring committee of APSSDC.
- Details of Data of Number of students passed out, placed (Trained for Employability), and unplaced on year-on-year basis.
- Institutions will face punitive action if found to be:
 - ❖ indulging in any malpractice
 - ❖ Provided false data in their reports
 - ❖ Unable to achieve targets set by APSSDC/themselves in Proposals consistently
 - ❖ Any non-compliance with the terms and conditions of this Agreement

E. Responsibilities of the Parties

All Parties agree that:

1. The Parties shall diligently perform their respective obligation under the Agreement as per the procedure set forth above.
2. To get the evaluation of the programs done by third party for assessing the impact with respect to quality of training programs.
3. Neither Party shall share any confidential information with any other party. The sharing of such database by each other will be on trust that it will not be used by either Party for providing any kind of information to any third party.

F. Branding:

ECM & College shall ensure necessary branding for ARC Lab. Signage for ARC lab is attached as Annexure 2 to this MoA. ECM & College shall follow the branding guidelines as specified by APSSDC from time to time.

G. Attendance:

The college shall have requisite infrastructure and ECM shall ensure that students shall be registered through BIO-METRIC devices with Aadhaar (Unique Identification Number) seeded inputs. Attendance shall be captured through Aadhaar based Biometric devices only.

H. Arbitration:

The Parties shall endeavour to resolve all or any dispute or difference arising out of or in connection with this Agreement, amicably within 30 days of notice in writing being issued by the non-defaulting party to the defaulting party indicating such dispute or difference. In case no amicable solution is arrived between the Parties within the said 30 days, then such dispute/s shall be settled through Arbitration as per the provisions of the Arbitration and Conciliation Act, 1996 as amended from time to time. The arbitration shall be done by Sole Arbitrator appointed by APSSDC. The written award of the Arbitrator shall be final and binding on all the Parties. The seat and venue for the arbitration proceedings shall be at Vijayawada, Andhra Pradesh.

I. Termination of MoA:

The first party shall have the right to terminate this MoA without assigning any reasons by giving prior written notice of 60 (Sixty) days through its authorized signatory. Without prejudice to the above, either Party may terminate this MoA by giving 30 (Thirty) days' written notice through its authorized signatory in the event of any material breach of any of the material terms of this MoA by the other Party. The non-defaulting party shall first serve a written notice of its intention to terminate this MoA to the defaulting party highlighting the material breach and giving the defaulting party a period of 30 days or such extended period as may be mutually agreed to within which to remedy the material breach. Should such event of a material breach remain unresolved/unrectified within the said notice period of 30 days or such extended period as may be mutually agreed to, the non-defaulting shall be able to terminate the MoA forthwith.

J. Representations and Warranties by the Parties

In addition to the above, the Parties hereto represent and warrants to other Parties as under:

- a) That it is duly organized and validly existing under the laws of the jurisdiction in which it was incorporated and has the necessary corporate power and authority under applicable Laws to carry on its business and or perform its functions.
- b) That this MoA
 - I. is within its powers and has been duly authorized by it; and
 - II. does not conflict in any material respect with any law or regulation or its constitutional documents or any document binding on it and that it has obtained all necessary consents for the performance by it under this MoA.
- c) That all information set forth in this MoA is true and correct and is not misleading in letter and spirit.

K. PERIOD OF VALIDITY:

This MoA shall become effective from the date hereof and shall be in force for a period of **Three years** unless terminated by mutual consent of the parties.

APS GmbH European Center for Mechatronics
Vaalser Str. 460, 52074 Aachen, Germany.

L. LIMITATION OF LIABILITY

Except as agreed and provided under this Agreement, neither of the Parties shall be liable to bear or pay any damages arising out of loss of income, loss of profit, special, incidental, indirect, punitive, exemplary or consequential, to any party including third parties, and all such damages are expressly disclaimed.

M. NOTICES:

Unless otherwise provided herein, all notices or other communications under or in connection with this MoA shall be in English, will be issued in writing and shall be signed by the authorized representative of the issuing / serving Party and may be sent by personal delivery or post or courier or facsimile to the address given above. Any such notice or other communication will be deemed to be effective if sent by personal delivery, when delivered, if sent by post, three days after being deposited in the post and if sent by courier, two days after being deposited with the courier.

N. COMMUNICATIONS AND PUBLICITY:

The Second & Third Party shall ensure that the name and logo of the first party should appear in all publication material. The Second & Third Party shall ensure that the sign board depicting the name of the First Party be affixed outside the college. The Parties shall consult and agree on all and any intended communications, publications, presentations and documentations relating to this Arrangement/ MoA (jointly the "Communication(s)") in advance prior to the intended release. If a MoA cannot be reached, a Party shall have the right to disclaim endorsement and/or dissociate itself from that Communication(s). No party shall use logo/trade mark etc. of each of the parties without obtaining its prior written concurrence to that effect.

O. IT IS MUTUALLY UNDERSTOOD AND AGREED BY AND BETWEEN THE PARTIES THAT:

AMENDMENT: Amendment within the scope of the instrument shall be made by mutual consent of the parties, by the issuance of a written modification, signed, and dated by all parties.

INFORMATION OWNERSHIP: All information provided by First Party shall only be utilized for conducting training and placement assistance and First Party holds no ownership over the content prepared by Second party.

PARTICIPATION IN SIMILAR ACTIVITIES: This Agreement in no way restricts First Party from participating in similar activities with other public or private agencies, organizations, and individuals.

NON-FUND OBLIGATING DOCUMENT: This Agreement is neither a fiscal nor a funds obligation document.
