SPORTS DAY CELEBRATIONS

Sports and games are an integral part of our life and have become a way of life for a healthy and fit India. Sports play a pivotal role in the makeup of a young athlete. Where else can a young impressionable youth learn values like discipline, responsibility, self-confidence, sacrifice and accountability and to remain fit. National Sports Day is celebrated on 29th of August every year. It marks the birth anniversary of Hockey Legend, Major Dhyan Chand, who is regarded as the greatest Hockey player of all times.

To mark the significance of National Sports Day, Narasaraopeta Engineering College organised several activities to inculcate the feeling of true sportsmanship among the Students and to enhance their physical and social skills. UG and PG Students are participated in various sports activities such as, cricket and volleyball, kabaddi.etc with great enthusiasm and zeal. The little ones had fun while indulging in sports activities. Sports and games offer students a change from the monotony of daily life. They are also a useful means of entertainment and physical activity for them.

TEACHERS DAY CELEBRATION, 5TH SEP 2016

"Teacher" is defined as a Motivational candle of student's life. Life itself is a teacher for every human being, but to execute the daily routine for a successful career a human teacher plays an important role towards student. And to respect them especially apart from studies we celebrate Teacher's day.

The students of the Narasaraopeta Engineering College paid their tributes to their teachers on 5th September 2016 by celebrating the Teacher's Day. Dr.B.V.Ramamohan Rao, Principal gave a motivating speech to the teaching faculty. He stressed much about the importance of inter-personal and intra-personal intelligence required for a person to become successful. It is the teacher, the only person who can make the students imbibe good things from the society and do good back for the society. It is all the wishes and inspirations of a teacher will make a student to be a renowned person in the society. He also remarked that students are always non-biological children of a teacher.
