Guntur Dist.

Dear Sir,

This letter is for your kind perusal and approval. The software BeeS ERP and BET is installed in the college **"Narsaraopeta Engineering College"** as per the purchase order dated **"07.03.2018"**. All the key modules like Fee Module online and offline, Certificates module, ID Card Module, Attendance Module, Library Module, Examination module, Feedback module, Payroll Module etc. are working fine and all the key works are been executed through these modules. Even if the college requirements were very high, the company did lots of hard work to meet the requirements in time to time and made sure that, the software supports in all the major activities of the college. Very few issues are getting raised on a daily basis, which is regularly attended by the company and timely solutions are given.

As per the purchase order terms, the company is providing flawless services to the college and not taking any delay in any part. But the payment terms are not being met in time, raising some issues every time. The issues and mandatory requirements are part of the software execution, and the company will be giving a continuous support in this regard.

The pending payment details are given below. The total software cost is given as Rs. 7.5 lacs + 18% GST. The 50,000 was agreed to pay, if the works was completed in May 2018. Even if, the software requirements and specifications were fulfilled from company before May 2018 itself, for execution and implementation, the college has taken this much time. So we request you to make the payment on this basis, as there were huge no. of requirements raised from college, and the company did all the hard work to meet it time –to-time.
