This institution is an autonomous institution and affiliated to Jawaharlal Nehru Technological University, Kakinada, and there is a provision of modification in syllabus by conducting Board of Studies meetings. All the suggestions on curriculum were communicated with students kept in Board of Studies/committees for their approval/modifications in next upcoming regulations.

Based on feedback requirement, IQAC, plan:

- To introduce the certification courses.
- To provide the software testing lab tools.
- To purchase academic text books and reference books.
- To conduct workshops for students.

IQAC communicates curricular proposals and comments to the Principal at the institution through revision sessions, and it is personalised to the students rather than just gathering information, in order to increase the students' ability to think creatively.
