

ACTION TAKEN REPORT ON FEED BACK OF TEACHER'S ON CURRICULUM

SUMMARY

Academic Year: 2019-20

The feedback is collected and analysed at college academic meetings in the institution. Majority of Teacher's had given positive feedback with respect to content and design of the curriculum. It is considered as a positive feedback and below that as a negative feedback and we are working for the improvement.

The analysis of the feedback was discussed with Principal. This institution is an autonomous institute and affiliated to Jawaharlal Nehru Technological University, Kakinada, there is a provision for slight amendment in syllabus. The suggestions on curriculum were communicated with teachers kept in Board of Studies and committees for their approval/modifications in next regulations.

Based on feedback requirement, institution plan

- To implement various open resources and software's to provide the facility to the faculty members to enhance their course content and research ability through SCI LAB.
- To organize national and international conferences to focus on research and publications.
- To arrange awareness programmees on NBA/NAAC accreditation procedures.

All the proposals and recommendations about curriculum are conveyed by IQAC to the Principal.
