It is to bring to your kind notice that I am working on Fatigue behaviour of magnesium based composite as a part of my Barech project.

To mention It needs Fatigue Testing Machine to investigate the material behaviour and to find the properties. I heard that NEC has such machine in SM Laboratory. So I am requesting you to kindly permit us to utilize the equipment in your organization. The estimated duration to carry out the work is maximum of a week days that too in the college working hours only.

I would be glad to pay the charges for utilizing the above equipment as per the college norms if any. I hope you will be considering my request sympathetically and extend the support of using the equipment for my project purpose at a very nominal rate.

Looking forward to the pleasure of receiving a favourable response.

Sub: Request to use Fatigue Testing Machine - Reg.

It is to bring to your kind notice that I am working on Fatigue behaviour of Magnesium based alloys as a part of my b.tech project.

To mention It needs Fatigue Testing Machine to investigate the material behaviour and to find the properties . I heard that NEC has such machine in SM Laboratory. So I am requesting you to kindly permit us to utilize the equipment in your organization. The estimated duration to carry out the work is maximum of a week days that too in the college working hours only.

. I would be glad to pay the charges for utilizing the above equipment as per the college norms if any. I hope you will be considering my request sympathetically and extend the support of using the equipment for my project purpose at a very nominal rate.

Looking forward to the pleasure of receiving a favourable response.

Thanking You
