SUMMARY

Academic Year: 2021-22

The feedback on curriculum was collected and analysed by IQAC. In general, positive feedback was received as all the stakeholders expressed satisfaction with respect to content and design of the curriculum. The relevant suggestions were listed out by IQAC. The analysis of the feedback was discussed with Principal.

This institution is an autonomous institution and affiliated to Jawaharlal Nehru Technological University, Kakinada, and there is a provision of modification in syllabus by conducting Board of Studies meetings. All the suggestions on curriculum were communicated with students kept in Board of Studies/committees for their approval/modifications in next upcoming regulations.

Based on feedback requirement, IQAC, plan:

- Special classes are to be conducted by inviting Senior Professors from reputed colleges to improve pass percentage.
- CRT classes arranged for students by external agency Byte-XL.
- Offered individual training in between IV-I & IV-II on PLC, SCADA, Robotics, Embedded systems

IQAC communicates curricular proposals and comments to the Principal at the institution through revision sessions, and it is personalised to the students rather than just gathering information, in order to increase the students' ability to think creatively.
