4) Vendor relationship

In your capacity as a Mindtree Mind or Consultant, neither you in the capacity of employee nor any of your immediate family members can be a vendor of Mindtree. You shall not accept advice, service, or gifts or presents in kind or cash from a vendor of Mindtree with a value greater than $25. In addition, you should not abet, entice, motivate, help, or coerce fellow employees to use such time and assets for outside or personal work that could reasonably be construed to have a detrimental effect on Mindtree.

6) Personal Relationship

Your spouse or any other member in your immediate family may be working with a competitor or vendor of Mindtree. This calls for extra-sensitivity to confidentiality of Mindtree's information as there is a possibility that the closeness in relationship could lead to inadvertently compromising Mindtree's interest. You are requested to be aware of the potential conflicts that might arise and inform the People Function accordingly.

If you are a member of an Enabling function such as People Function, Finance, IS etc you cannot have an immediate family member employed in another function/role in Mindtree, unless it has been explicitly approved by the head of People Function.

7) Equal Opportunity

Mindtree is an equal opportunity employer and makes employment decisions on the basis of merit. The Company seeks to have the best available individual(s) in every position. Mindtree prohibits unlawful discrimination based on race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by federal, state or local laws.

Mindtree is committed to complying with all applicable laws providing equal opportunities to individuals regardless of race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by law. This responsibility applies to all persons involved in the operations of Mindtree and prohibits unlawful discrimination by any Mindtree Mind, including supervisors and coworkers.

Mindtree prohibits taking negative action against any Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation. Any Mindtree Mind who retaliates against another Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including termination of employment.

8) Dating/Romantic/Sexual Relationships

Mindtree recognizes that sometimes employees enter into personal relationships in the workplace, and this provision is not intended to prohibit such relationships. However, certain romantic or sexual relationships can interfere with the smooth operation of its business. Some of these relationships can also result in actual or potential disclosure of confidential or sensitive information and can have other detrimental effects. Mindtree reserves the right to determine when a relationship presents a problem in the workplace.

IQAC

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

9) Personal Behavior

Mindtree expects all Mindtree Minds to be honest and fair in dealing with people, customers, vendors, competitors or others because you are the brand ambassador of Mindtree and your actions help to form others' impressions about Mindtree.

10) Breach of Discipline

Mindtree
A Larsen & Toubro Group Company

Code of Conduct

Summary:

Mindtree Minds are expected to follow a professional code of conduct and work ethics. The intent of this document is to lay the ground rules for professional and disciplined behavior in the office premises and/or at client locations. Mindtree cannot anticipate all situations that may arise during your employment. When in doubt about an appropriate course of conduct, please contact your supervisor or a People Function representative.

Your employment with Mindtree is subject to your acceptance of this Code of Conduct Procedure. All Mindtree Minds are required to read, understand and sign the Code of Conduct procedures when they are hired.

Objective:

To define guidelines on the professional code of conduct and work ethics in the office premises and/or at client locations.

Eligibility/Applicability:

All Mindtree Minds, Mindtree's clients, vendors, partners etc.

Code of Conduct :

The policy details various scenarios under which Code of Conduct is monitored.

1) Personal Interest v/s Mindtree's Interest

In day-to-day work scenarios, you could face situations where a possible course of action would advance your personal interests at the expense of the company. In such situations, you are expected to put the best interests of the company first. When in doubt, please check with People Function and/or your Manager.

2) Use of proprietary or confidential information of third party

You should not disclose to Mindtree, bring onto Mindtree's premises or induce Mindtree to use any confidential information that belongs to anyone other than Mindtree or yourself. You are instructed neither to make use of any confidential or proprietary information of a third party in the course of performing your job duties or services, nor include or incorporate any such information with or into any product or work that you create, design, or develop for or on behalf of Mindtree in the course of performing your duties or services unless you have the prior written consent of Mindtree. Reference to 'Mindtree' above includes Mindtree's clients, vendors and partners as well.

3) Office for Profit

Without the consent of Mindtree, you are prohibited from initiating or accepting any work as an Employee, consultant, adviser or as a member of board of directors of any other company. If you wish to seek approval for such outside work, please contact your People Function representative.

4) Vendor relationship

In your capacity as a Mindtree Mind or Consultant, neither you in the capacity of employee nor any of your immediate family members can be a vendor of Mindtree. You shall not accept advice, service, or gifts or presents in kind or cash from a vendor of Mindtree with a value greater than $25. If you receive any gifts from a vendor with a value greater than $25, or if a vendor engages in a pattern of offering you small gifts, please inform your reporting manager or ask People Function for guidance.

5) Using Mindtree's time and assets

You should not use Mindtree's or its customers' time or any of its assets for performing outside or personal work. In addition, you should not abet, entice, motivate, help, or coerce fellow employees to use such time and assets for outside or personal work that could reasonably be construed to have a detrimental effect on Mindtree.

6) Personal Relationship

Your spouse or any other member in your immediate family may be working with a competitor or vendor of Mindtree. This calls for extra-sensitivity to confidentiality of Mindtree's information as there is a possibility that the closeness in relationship could lead to inadvertently compromising Mindtree's interest. You are requested to be aware of the potential conflicts that might arise and inform the People Function accordingly.

If you are a member of an Enabling function such as People Function, Finance, IS etc you cannot have an immediate family member employed in another function/role in Mindtree, unless it has been explicitly approved by the head of People Function.

7) Equal Opportunity

Mindtree is an equal opportunity employer and makes employment decisions on the basis of merit. The Company seeks to have the best available individual(s) in every position. Mindtree prohibits unlawful discrimination based on race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by federal, state or local laws.

Mindtree is committed to complying with all applicable laws providing equal opportunities to individuals regardless of race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by law. This responsibility applies to all persons involved in the operations of Mindtree and prohibits unlawful discrimination by any Mindtree Mind, including supervisors and coworkers.

Mindtree prohibits taking negative action against any Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation. Any Mindtree Mind who retaliates against another Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including termination of employment.

8) Dating/Romantic/Sexual Relationships

Mindtree recognizes that sometimes employees enter into personal relationships in the workplace, and this provision is not intended to prohibit such relationships. However, certain romantic or sexual relationships can interfere with the smooth operation of its business. Some of these relationships can also result in actual or potential disclosure of confidential or sensitive information and can have other detrimental effects. Mindtree reserves the right to determine when a relationship presents a problem in the workplace.

IQAC

PRINCIPAL
NARASARAOPETA ENGINEERING COLLEGE
(AUTONOMOUS)
NARASARAOPET - 522 601,
Guntur (Dist.), A.P.

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

9) Personal Behavior

Mindtree expects all Mindtree Minds to be honest and fair in dealing with people, customers, vendors, competitors or others because you are the brand ambassador of Mindtree and your actions help to form others' impressions about Mindtree.

10) Breach of Discipline

As discussed above, Mindtree expects all Mindtree Minds to behave in a professional manner. Listed below are categories of inappropriate conduct that may lead to disciplinary action, up to and including termination of employment from Mindtree (This list is just illustrative and not exhaustive).

"Theft, fraud, forgery, embezzlement, misappropriation; dishonesty, harassment, indecent behavior, sexual advances, suggestive remarks, racial slurs, derogatory remarks/discrimination on - disability, veteran status, national origin, sexual orientation, race, color, religion, political affiliation, sex, or age. The list also includes forwarding/ viewing pornographic material at work or on work computers or other devices, willful insubordination, disobedience, absence without leave, habitually irregular attendance, neglect of work, willful damage of company property, disclosing/divulging trade secrets/confidential information/special processes/methodologies, unfair dealing with parties, false representation/misrepresentation, false recording/reporting of information, drunkenness, riotous behavior, commission of certain criminal offense(s), aiding or abetting any act listed herein, willful breach of law/rule / policy / guideline/procedure, working under the influence of alcohol or illegal drugs, creating/encouraging an offensive work environment, etc."

In the event Mindtree receives information suggesting that you may have engaged in any of the conduct described above, People Function personnel may require you to undergo necessary tests/assessments/inquiry as appropriate. You will be expected to cooperate in any investigation People Function or Mindtree management conducts or directs. Mindtree reserves the right to test Mindtree Minds for drug and alcohol use for cause or when a client requires testing.

11) Usage of Assets

As a Mindtree Mind, you will come in contact with the below mentioned assets as part of your job. You shall not disclose or divulge any of these assets without permission. You also shall not give false information, misinterpret or misquote any of these assets.

1. **Consideration and Relationship to Employment**. As a condition of my employment with DXC or one of its subsidiaries, successors, assigns, or affiliates (referred to collectively as, "Company"), in return for Company's agreement that I will be provided certain confidential and proprietary information, training, and/or customer contacts to assist me in my duties in such employment, I knowingly agree to restrictions provided for below that will apply during and after my employment by Company. I understand, however, that nothing relating to this Agreement will be interpreted as a contract or commitment whereby Company is deemed to promise continuing employment for a specified duration.

2. **Confidential Information.** This Agreement concerns trade secrets, confidential business and technical information, and know–how not generally known to the public (hereinafter "Confidential Information") which is acquired or produced by me in connection with my employment by Company. Confidential Information may include, without limitation, information on Company organizations, staffing, finance, structure, information of employee performance, compensation of others, research and development, manufacturing and marketing, files, keys, certificates, passwords and other computer information, as well as information that Company receives from others under an obligation of confidentiality. I agree to abide by the Company Confidential Information Policy and specifically agree

that with regard to Company Confidential Information:

(a) to use such information only in the performance of Company duties;
(b) to hold such information in confidence and trust; and
(c) to use all reasonable precautions to assure that such information is not disclosed to unauthorized persons or used in an unauthorized manner, both during and after my employment with Company. I further agree that any organizational information or staffing information learned by me in connection with my employment by Company is the Confidential Information of Company, and I agree that I will not share such information with any recruiters or any other employers, either during or subsequent to my employment with Company; further, I agree that I will not use or permit use of such as a means to recruit or solicit other Company employees away from Company (either for myself or for others).

3. **Proprietary Developments.** This Agreement also concerns inventions and discoveries (whether or not patentable), designs, works of authorship, mask works, improvements, data, processes, computer programs and software (hereinafter called "Proprietary Developments") that are conceived or made by me alone or with others while I am employed by Company and that relate to the research and development or the business of Company, or that result from work performed by me for Company, or that are developed, in whole or in part, using Company's equipment, supplies, facilities or trade secrets information. Such Proprietary Developments are the sole property of Company, and I hereby assign and transfer all rights in such Proprietary Developments to Company. I also agree that any works of authorship created by me shall be deemed to be "works made for hire." I further agree for all Proprietary Developments:

(a) to disclose them promptly to Company;
(b) to sign any assignment document to formally perfect and confirm my assignment of title to Company;
(c) to assign any right of recovery for past damages to Company; and
(d) to execute any other documents deemed necessary by Company to obtain, record and perfect patent, copyright, mask works and/or trade secret protection in all countries, in Company's name and at Company's expense. I understand that Company may delegate these rights. I agree that, if requested, my disclosure, assignment, execution and cooperation duties will be provided to the entity designated by Company.

This Agreement does not apply to an invention for which no equipment, supplies, facility or trade secret information of the employer was used and which was developed entirely on the employee's own time, unless (a) the invention relates (i) to the business of the employer or (ii) to the employer's actual or demonstrably anticipated research or development, or (b) the invention results from any work performed by the employee for the employer.

4. **Respect for Rights of Former Employers.** I agree to honor any valid disclosure or use restrictions on information or intellectual property known to me and received from any former employers or any other parties prior to my employment by Company. I agree that without prior written consent of such former employers or other parties, I will not knowingly use any such information in connection with my Company work or work product, and I will not bring onto the premises of Company any such information in whatever tangible or readable form.

5. **Work Product.** The product of all work performed by me during and within the scope of my Company employment including, without limitation, any files, presentations, reports, documents, drawings, computer programs, devices and models, will be the sole property of Company. I understand that Company has the sole right to use, sell, license, publish or otherwise disseminate or transfer rights in such work product.

6. **Company Property.** I will not remove any Company property from Company premises without Company's permission. Upon the end of my employment with Company, I will return all Company

property to Company unless Company's written permission to keep it is obtained.

7. **Protective Covenants.** I acknowledge that a simple agreement not to disclose or use Company's Confidential Information or Proprietary Developments after my employment by Company ends would be inadequate, standing alone, to protect Company's legitimate business interests because some activities by a former employee who had held a position like mine would, by their nature, compromise such Confidential Information and Proprietary Developments as well as the goodwill and customer relationships that Company will pay me to develop for Company during my employment by Company. I recognize that activities that violate Company's rights in this regard, whether or not intentional, are often undetectable by Company until it is too late to obtain any effective remedy, and that such activities will cause irreparable injury to Company. To prevent this kind of irreparable harm and to protect Company's trade secrets, I agree that during my employment and for a period of twelve months following the end of my employment with Company, I will abide by the following Protective Covenants:

(a) No Solicitation of Customers. I will not (in person or through assistance to others) knowingly participate in soliciting or communicating with or accepting any order from any customer of Company for the benefit of a Competing Line of Business if I either had business-related contact with that customer or received Confidential Information about that customer in the last two years of my employment at Company;

(b) No Solicitation of Company Employees. I will not (in person or through assistance to others) knowingly participate in soliciting or communicating with an Company Employee for the purpose of persuading or helping the Company Employee to end or reduce his or her employment relationship with Company if I either worked with that Company Employee or received Confidential Information about that Company Employee in the last two years of my employment with Company; and

(c) No Solicitation of Company Suppliers. I will not (in person or through assistance to others) knowingly participate in soliciting or communicating with an Company Supplier for the purpose of persuading or helping the Company Supplier to end or modify to Company's detriment an existing business relationship with Company if I either worked with that Company Supplier or received Confidential Information about that Company Supplier in the last two years of my employment with Company. As used here, "Competing Line of Business" includes a business that involves a product or service offered or to be offered by anyone other than Company that would replace or compete with any product or service offered or to be offered by Company or its related corporations (unless Company and its related corporations are no longer engaged in or planning to engage in that line of business). "Company Employee" means an individual employed by or retained as a consultant to Company or its related corporations. "Company Supplier" means an individual, corporation, other business entity or separately operated business unit of an entity that regularly provides goods or services to Company or its related corporations, including without limitation any OEM, ODM or subcontractor.

8. **Enforcement.** I make these agreements to avoid any future dispute between myself and Company regarding specific restrictions on my post-employment conduct that will be reasonable, necessary and enforceable to protect Company's Confidential Information and Proprietary Developments and other legitimate business interests. The Protective Covenants are ancillary to the other terms of this Agreement and my employment relationship with Company. This Agreement benefits both me and Company because, among other things, it provides finality and predictability for both me and the company regarding enforceable boundaries on my future conduct. Accordingly, I agree that this Agreement and the restrictions in it should be enforced under common law rules favoring the enforcement of such agreements. For these reasons, I agree that I will not pursue any legal action to set aside or avoid application of the Protective Covenants. This Agreement will survive the end of my employment with Company and shall, likewise, continue to apply and be valid notwithstanding any change in my duties, responsibilities, position, or title.

9. **Relief; Extension.** I understand that if I violate this Agreement (particularly the Protective

Covenants), Company will be entitled to (i) injunctive relief by temporary restraining order, temporary injunction, and/or permanent injunction, (ii) recovery of attorneys' fees and costs incurred by Company in obtaining such relief where allowed by law, and (iii) any other legal and equitable relief to which Company may be entitled. Injunctive relief will not exclude other remedies that might apply. If I am found to have violated any restrictions in the Protective Covenants, then the time period for such restrictions will be extended by one day for each day that I am found to have violated them, up to a maximum extension equal to the time period originally prescribed for the restrictions.

10. Severability; Authority for Revision; Assignment; Governing Law. The provisions of this Agreement will be separately construed. If any provision contained in this Agreement is determined to be void, illegal or unenforceable, in whole or in part, then the other provisions contained herein will remain in full force and effect as if the provision so determined had not been contained herein. If the restrictions provided in this Agreement are deemed unenforceable as written, the parties expressly authorize the court to revise, delete, or add to such restrictions to the extent necessary to enforce the intent of the parties and to provide Company's goodwill, Confidential Information, Proprietary Developments and other business interests with effective protection. In the event the restrictions provided in this Agreement are deemed unenforceable and cannot be reformed to make them enforceable, then any prior agreements that I have made with Company relating to confidential information or proprietary developments shall not be deemed to have been superseded or otherwise affected by this Agreement, but instead shall remain in effect. The title and paragraph headings in this Agreement are provided for convenience of reference only, and shall not be considered in determining its meaning, intent or applicability. This Agreement will inure to the benefit of the parties' heirs, successors and assigns. This Agreement, including but not limited to the Protective Covenants, may be assigned by Company to a subsequent employer, successor or assign without the need for further authorization or agreement from me. This Agreement will be governed by the laws of the country and/or state identified as my work location in which I work at the time of its enforcement.

The pension payable is based on last drawn basic salary at the time of death, number of years till retirement, number and age of surviving members.

E.g. If an employee is in Grade B3 with basic of Rs. 15,000 per month and the remaining period before retirement at time of his death is 20 years and he has a surviving spouse and two eligible children, the supplementary Pension payable per month would be as follows: Basic * No of years to Retirement * Grade Factor * % based on number and age of surviving members.

I.e. 15,000 x 20 x 2.7%* x 80% = Rs. 6,480 per month as supplementary pension payable. *Grade Factor is a band specific predefined pension Accrual rate.

Loans:

Interest Free Loan: An interest free loan of Rs. 20,000 as per policy is available to facilitate your settling down. The amount is primarily intended to cover housing deposit/assistance towards purchase of two wheeler. This is recovered in 10 equal installments.

Contingency Loan: An Interest free contingency loan of Rs. 50,000 or two months monthly gross whichever is lower as per policy can be availed in case of contingency. This would be recovered in 20 equal installments. Any loan taken above Rs. 20,000 will be liable to tax on the notional interest cost as per CBDT rules.

** These benefits are subject to the terms and conditions of the company policy and cannot be converted to fixed cash.

Code of Conduct

Summary:

Mindtree Minds are expected to follow a professional code of conduct and work ethics. The intent of this document is to lay the ground rules for professional and disciplined behavior in the office premises and/or at client locations. Mindtree cannot anticipate all situations that may arise during your employment. When in doubt about an appropriate course of conduct, please contact your supervisor or a People Function representative.

Your employment with Mindtree is subject to your acceptance of this Code of Conduct Procedure. All Mindtree Minds are required to read, understand and sign the Code of Conduct procedures when they are hired.

Objective:

To define guidelines on the professional code of conduct and work ethics in the office premises and/or at client locations.

Eligibility/Applicability:

All Mindtree Minds, Mindtree's clients, vendors, partners etc.

Code of Conduct :

The policy details various scenarios under which Code of Conduct is monitored.

1) Personal Interest v/s Mindtree's Interest

In day-to-day work scenarios, you could face situations where a possible course of action would advance your personal interests at the expense of the company. In such situations, you are expected to put the best interests of the company first. When in doubt, please check with People Function and/or your Manager.

2) Use of proprietary or confidential information of third party

You should not disclose to Mindtree, bring onto Mindtree's premises or induce Mindtree to use any confidential information that belongs to anyone other than Mindtree or yourself. You are instructed neither to make use of any confidential or proprietary information of a third party in the course of performing your job duties or services, nor include or incorporate any such information with or into any product or work that you create, design, or develop for or on behalf of Mindtree in the course of performing your duties or services unless you have the prior written consent of Mindtree. Reference to 'Mindtree' above includes Mindtree's clients, vendors and partners as well.

3) Office for Profit

Without the consent of Mindtree, you are prohibited from initiating or accepting any work as an Employee, consultant, adviser or as a member of board of directors of any other company. If you wish to seek approval for such outside work, please contact your People Function representative.

4) Vendor relationship

In your capacity as a Mindtree Mind or Consultant, neither you in the capacity of employee nor any of your immediate family members can be a vendor of Mindtree. You shall not accept advice, service, or gifts or presents in kind or cash from a vendor of Mindtree with a value greater than $25. If you receive any gifts from a vendor with a value greater than $25, or if a vendor engages in a pattern of offering you small gifts, please inform your reporting manager or ask People Function for guidance.

5) Using Mindtree's time and assets

You should not use Mindtree's or its customers' time or any of its assets for performing outside or personal work. In addition, you should not abet, entice, motivate, help, or coerce fellow employees to use such time and assets for outside or personal work that could reasonably be construed to have a detrimental effect on Mindtree.

6) Personal Relationship

Your spouse or any other member in your immediate family may be working with a competitor or vendor of Mindtree. This calls for extra-sensitivity to confidentiality of Mindtree's information as there is a possibility that the closeness in relationship could lead to inadvertently compromising Mindtree's interest. You are requested to be aware of the potential conflicts that might arise and inform the People Function accordingly.

If you are a member of an Enabling function such as People Function, Finance, IS etc you cannot have an immediate family member employed in another function/role in Mindtree, unless it has been explicitly approved by the head of People Function.

7) Equal Opportunity

Mindtree is an equal opportunity employer and makes employment decisions on the basis of merit. The Company seeks to have the best available individual(s) in every position. Mindtree prohibits unlawful discrimination based on race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by federal, state or local laws.

Mindtree is committed to complying with all applicable laws providing equal opportunities to individuals regardless of race, color, citizenship, religion, sex, national origin, age, disability, or family, marital or veteran status, or any other characteristic protected by law. This responsibility applies to all persons involved in the operations of Mindtree and prohibits unlawful discrimination by any Mindtree Mind, including supervisors and coworkers.

Mindtree prohibits taking negative action against any Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation. Any Mindtree Mind who retaliates against another Mindtree Mind for reporting a possible deviation from this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including termination of employment.

8) Dating/Romantic/Sexual Relationships

Mindtree recognizes that sometimes employees enter into personal relationships in the workplace, and this provision is not intended to prohibit such relationships. However, certain romantic or sexual relationships can interfere with the smooth operation of its business. Some of these relationships can also result in actual or potential disclosure of confidential or sensitive information and can have other detrimental effects. Mindtree reserves the right to determine when a relationship presents a problem in the workplace.

PRINCIPAL
NARASARAOPETA ENGINEERING COLLEGE
(AUTONOMOUS)
NARASARAOPET - 522 601
Guntur (Dist.), A.P.

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

9) Personal Behavior

Mindtree expects all Mindtree Minds to be honest and fair in dealing with people, customers, vendors, competitors or others because you are the brand ambassador of Mindtree and your actions help to form others' impressions about Mindtree.

10) Breach of Discipline

As discussed above, Mindtree expects all Mindtree Minds to behave in a professional manner. Listed below are categories of inappropriate conduct that may lead to disciplinary action, up to and including termination of employment from Mindtree (This list is just illustrative and not exhaustive).

"Theft, fraud, forgery, embezzlement, misappropriation; dishonesty, harassment, indecent behavior, sexual advances, suggestive remarks, racial slurs, derogatory remarks/discrimination on - disability, veteran status, national origin, sexual orientation, race, color, religion, political affiliation, sex, or age. The list also includes forwarding/ viewing pornographic material at work or on work computers or other devices, willful insubordination, disobedience, absence without leave, habitually irregular attendance, neglect of work, willful damage of company property, disclosing/divulging trade secrets/confidential information/special processes/methodologies, unfair dealing with parties, false representation/misrepresentation, false recording/reporting of information, drunkenness, riotous behavior, commission of certain criminal offense(s), aiding or abetting any act listed herein, willful breach of law/rule / policy / guideline/procedure, working under the influence of alcohol or illegal drugs, creating/encouraging an offensive work environment, etc."

In the event Mindtree receives information suggesting that you may have engaged in any of the conduct described above, People Function personnel may require you to undergo necessary tests/assessments/inquiry as appropriate. You will be expected to cooperate in any investigation People Function or Mindtree management conducts or directs. Mindtree reserves the right to test Mindtree Minds for drug and alcohol use for cause or when a client requires testing.

2. Voluntary Superannuation Policy (VSS)

Wipro Voluntary Superannuation Plan offers an easy and convenient way to help you lead a happy and tension free life by planning your retirement. Starting contribution to pension plan at an early age gives you enough time to contribute towards building your retirement corpus and leverage the compounding interest earned by the corpus year on year. You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite

& transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. In case 15% of basic exceeds Rs.1,50,000 per annum, member employee will have an option to restrict the contribution to Rs.1,50,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,50,000 every year).

Annual pension contribution amount is re-adjusted from fixed cash component and will reflect under 'Pension' component in the salary stack of the enrolled member. The accumulated contribution amount and the interest earned (or the corpus) can be utilized to avail the retirement benefits.

For further clarity, please refer the Policy on My Wipro -> My Information Sources > India -> My Financials-> Deferred Benefits-> Voluntary Superannuation Scheme. After reviewing the related documents if you wish to enroll into VSS, please log onto My Wipro-> My data->My Financials-> Pension, and exercise the option within 30 days of joining the Company. In case you miss enrolling into VSS in this window period, you can do the same in the window period that is available for all employees once every financial year.
