#### POLICY DOCUMENT FOR PERSONS WITH DISABILITIES

Narasaraopeta Engineering College was established by Gayatri Educational Society in the year 1998 with an aim of bringing quality Engineering Education closer to the rural students. The college has created a resourceful and inspiring academic ambience and world class infrastructure. The college is Private Self Financing Institution. The College is UGC Autonomous Institution, approved by AICTE, New Delhi and is permanently affiliated to Jawaharlal Nehru Technological University, Kakinada (JNTUK).

#### Objectives:

- 1. Conducting class and discussions through interactive electronic or other media.
- Create awareness amongst the masses through television, radio and other mass media on the causes.
- 3. Provide facilities for training to the staff at the primary health center.
- Providing every student with disability free of cost special books and equipment needed for this education.

#### Disability:

Disability is the consequence of an impairment that may be physical, cognitive, emotional, mental, sensory, developmental, or some combination of these. A disability may be present from birth or occur during a person's life time. Narasaraopeta Engineering College will constitute a specialized committee for people with disabilities which will be responsible in preparing, executing and amending policy and guidelines for persons with disabilities.

The major functions of the committee for persons with disabilities include

- Identify needs, expressing views on priorities.
- To identify all disability related issues in the campus.

To determine major grievances pertaining to any matter of persons with disabilities. Resolved it should send to the higher authorities.

#### Accessibility policy:

The Institution has a coordinated system for offering students with disabilities tools that meet their needs. Providing access means making all the services, activities, and fully available to qualified people with disabilities. Materials for students with disabilities come from a variety of sources and methods—"e.g., coaching, presentation, webinars, and book studies."

Providing access means making all the services, activities, benefits, thereof, and fully available to qualified people with disabilities. The institution should provide various provisions in creating; disabled friendly campus. The college administration and faculty members should ensure appropriate/reasonable accommodations for each person with a disability and be willing to resolve access problems. The campus should be barrier free and accessible for differently abled persons.

These financial statements are the responsibility of the management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as
