FEEDBACK ON  
CURRICULLUM  
(STUDENT'S)**

**ACTION TAKEN REPORT ON FEEDBACK FROM OF STUDENT'S ON**  
**CURRICULUM**

**SUMMARY**

**Academic Year: 2020-21**

The feedback on curriculum was collected and analysed by IQAC. In general, positive feedback was received as all the stakeholders expressed satisfaction with respect to content and design of the curriculum. The relevant suggestions were listed out by IQAC. The analysis of the feedback was discussed with Principal.

This institution is an autonomous institution and affiliated to Jawaharlal Nehru Technological University, Kakinada, and there is a provision of modification in syllabus by conducting Board of Studies meetings. All the suggestions on curriculum were communicated with students kept in Board of Studies/committees for their approval/modifications in next upcoming regulations.

Based on feedback requirement, IQAC, plan:

- Offered individual training in between IV-I & IV-II on PLC, SCADA, Robotics, Embedded systems.
- Special classes are to be conducted by inviting Senior Professors from reputed colleges to improve pass percentage.
- CRT classes arranged for students by external agency Byte-XL.
- Procured 16 TB external hard disc with NPTEL latest videos obtained from IIT M- Chennai

IQAC communicates curricular proposals and comments to the Principal at the institution through revision sessions, and it is personalised to the students rather than just gathering information, in order to increase the students' ability to think creatively.

**SUMMARY**

**Academic Year: 2018-19**

The feedback on curriculum was collected and analysed by IQAC. In general, positive feedback was received as all the stakeholders expressed satisfaction with respect to content and design of the curriculum. The relevant suggestions were listed out by IQAC. The analysis of the feedback was discussed with Principal.

This institution is an autonomous institution and affiliated to Jawaharlal Nehru Technological University, Kakinada, and there is a provision of modification in syllabus by conducting Board of Studies meetings. All the suggestions on curriculum were communicated with students kept in Board of Studies/committees for their approval/modifications in next upcoming regulations.

Based on feedback requirement, IQAC, plan:

- To use ICT by arranging additional class rooms equipped with ICT facility.
- Concept formation to be simplified by providing Lecture notes, NPTEL videos are shared through LMS.
- To ask the students to do free certification courses through spoken tutorials by IIT Bombay and Solo-learn.
- To purchase hybrid learning tool licensed Microsoft Teams for LMS.
- To conduct industrial visits.

IQAC communicates curricular proposals and comments to the Principal at the institution through revision sessions, and it is personalised to the students rather than just gathering information, in order to increase the students' ability to think creatively.

**ACTION TAKEN REPORT ON FEEDBACK FROM OF STUDENT'S ON**  
**CURRICULUM**

**SUMMARY**

**Academic Year: 2016-17**

The feedback on curriculum was collected and analysed by collage academic council. In general, positive feedback was received as all the stakeholders expressed satisfaction with respect to content and design of the curriculum. The relevant suggestions were listed out by committee. The analysis of the feedback was discussed with Principal.

This institution is an autonomous institution and affiliated to Jawaharlal Nehru Technological University, Kakinada, and there is a provision of modification in syllabus by conducting Board of Studies meetings. All the suggestions on curriculum were communicated with students kept in Board of Studies/committees for their approval/modifications in next upcoming regulations.

Based on feedback requirement, college academic committee, plan:

- To focus on skill development programmes.
- To provide new learning methods.
- To introduce advanced topics in the curriculum.
- To conduct workshops for students on current technology.

Committee communicates curricular proposals and comments to the Principal at the institution through revision sessions, and it is personalised to the students rather than just gathering information, in order to increase the students' ability to think creatively.

**ACTION TAKEN  
REPORT  
OF  
FEEDBACK ON  
CURRICULLUM  
(FACULTY'S)**

**ACTION TAKEN REPORT ON FEED BACK OF TEACHER'S ON CURRICULUM**

**SUMMARY**

**Academic Year: 2020-21**

The feedback is collected and analysed at college academic meetings in the institution. Majority of Teacher's (above 90%) had given positive feedback with respect to content and design of the curriculum. It is considered as a positive feedback and below that as a negative feedback and we are working for the improvement. Only seven of the twelve questions elicited our worries, while the other five received favourable feedback, prompting us to retain the same rigour in order to preserve the same outcome.

The analysis of the feedback was discussed with Principal. This institution is an autonomous institute and affiliated to Jawaharlal Nehru Technological University, Kakinada, there is a provision for slight amendment in syllabus. The suggestions on curriculum were communicated with teachers kept in Board of Studies and committees for their approval/modifications in next regulations.

Based on feedback requirement, institution plan

- To organize a regular meeting of all faculty members to encourage them to participate in departmental development activities.
- To encourage the faculty members to publish papers, pursue Ph.D. and enroll for post-doctoral projects.
- To encourage the faculty members to enroll in online courses.
- To provide printed lab manuals to students.
- Orientation programs on usage of Micro Soft Teams Tool was arranged.

All the proposals and recommendations about curriculum are conveyed by IQAC to the Principal.

**EMPLOYER'S FEEDBACK ON CURRICULUM**

**SUMMARY**

**Academic Year: 2020-21**

This institute is an autonomous institute and affiliated to JNTUK, Kakinada and the college academic curriculum is designed by Board of Studies at our institute level under the guidance of university nominees. Before designing the blue print of the curriculum, several meetings will be conducted by local Board of Studies members to discuss about the suggestions and remarks made by the stockholders (Students, Teachers, Alumni and Employer's).

Feedback on the curriculum design and development was received from various stakeholders. The feedback is collected and analysed at college academic meetings in the institution. Based on feedback requirement, institute plan

- To increase the session of training with respect to aptitude and language structures.
- To conduct the mock interviews before commencement of the drives.
- To conduct JAM sessions, encourage the students for presentations.

All the proposals and recommendations about curriculum are conveyed by IQAC to the Principal.
