

A Report on
Sankranti Sambaralu
11.01.2023

The Department of Basic Sciences and Humanities headed by Dr.K.Ponnari Lakshmi organized “Sankranthi Sambaralu” in a traditional and grand way in Narasaraopeta Engineering College premises on 11th January 2023 with great festive joy. The Management, Principal, Faculty and students of Narasaraopeta Engineering College (Autonomous) rejoiced celebrating Sankranti in the college.

Sankranthi is one of the most important festivals for South Indians. It is a festival when farmers rejoice at the good harvest and express their gratitude to the Sun, the Earth and the cattle for their bountiful blessings. It marks the end of the dull and dreary winter and the onset of colorful and joyous spring. The college was vibrant with Rangoli, Bhogimantalu & Pongali Preparation with festival look and thematic representation of Pongal.

The students dressed in their best traditional wear and decorated the premises with Rangoli and took part in various activities. The entire college wore a colorful look with Rangolies. On account of these celebrations many competitions were conducted like Rangoli, 3D Art for boys, Poster Painting with the theme of Pongal and Ramp Walk with traditional dress for both boys and girls. In this context, students of NCE happily participated in Sankranthi Sambaralu-2023. Time just flew away with the shared happiness. In a nut shell this celebration gave an opportunity to students as well as the teachers to have a great time exploring traditional practices and customs. The Principal Dr. M. Sreenivasa Kumar distributed prizes and participation certificates for the students who participated in Traditional Dress Competition.
