To

The Director/Principal

Dear Sir/Madam,

It gives us immense pleasure to inform you that, our college is organizing a one week Faculty Development Programme on "**EMERGING TRENDS IN VLSI, COMMUNICATIONS & AI ENABLED IOT APPLICATIONS**" from **05th – 09th June, 2023**. The program will be conducted by esteemed faculty members from reputed Universities and Institutions. Speakers from industries are also coming to deliver as part of the course.

FDP on "**Emerging Trends in VLSI, Communications & AI Enabled IoT Applications**", provides an excellent opportunity for faculty and researchers to learn new ideas in the field of VLSI, Communications and AI, ranging from decision making systems for remote access & discovering novel biomedical knowledge for disease treatment using Machine Learning & Deep Learning techniques. The aim of this FDP is to provide sound mathematical and theoretical concepts with hands on experience in this field, for the teaching and research community associated with the department of ECE.

We cordially invite your college faculty members to participate in this FDP. We deem it honour if your faculty members would join us in good number in this program. We request you to kindly give wide publicity by circulating the brochure enclosed among the faculty members of your college and encourage them to take part in this program.

We look forward to your cooperation and active participation of your faculty members.
