## **Industry Institute Interaction Committee (IIC)**

Industry Institute Interaction Committee sorts connection between industry and various departments of Narasaraopeta Engineering College. IIC ambitions to bridge gap between theoretical and practical aspects of the curriculum. IIC identifies the needs and address it through industry experts and provides exposure to the students. As a outcome IIC picks up the needy skills required to the students.

### **Objectives of the IIC:**

1. To explore and identify the possibilities of institute's interaction with industry
2. To establish Centre of Excellence by Industry/ Corporate to Provide Real Time exposure on Technologies
3. To promote various research activities by the faculty members and students.
4. To establish convergence with industrial and research organizations from various fields through MoUs as a form of interaction.

### **Functions of IIC:**

- To give industrial exposure to Faculty members and students, thus enabling them to tune their Knowledge to cope with the industrial culture
- To organize Workshop on trending technologies by experts in the field
- To assist the Departments in organizing workshops, conferences and symposia with joint participation of the industries
- Encouraging Engineers from industries to visit institution to deliver lectures
- To organize industrial visits for Faculty members and students
- To coordinate/ identify industrial partners for proposing 'Centre for Excellence'
- To assist the Training and Placement Division
- Visit of industry executives and practicing engineers to the institute for seeing research work and laboratories
- Memorandum of Understanding between the institute and industries to bring the two sides emotionally and strategically closer
- Visits of faculty to industry for study and discussions or delivering lectures on subjects of mutual interest
- Memoranda of Understanding between the Institute and industries to bring the two sides emotionally and strategically closer
- Visiting faculty/professors from industries
- Practical training of students in industries
- Memorandum of Understanding between the institute and industries to bring the two sides emotionally and strategically closer
