OFFICE OF GRADUATE
ADMISSIONS

Dear Venkata Nikhileswara Gupta,

Congratulations! On behalf of The University of Tampa John H. Sykes College of Business, I am pleased to inform you that you have been accepted into the Master of Science in Cybersecurity program for the Spring 2023 term. This offer of admission recognizes your outstanding record of accomplishments and your potential for future success.

At UT, you will learn from a dynamic team of faculty members, all of whom hold doctoral degrees and have had extensive experience leading some of the world's most prominent organizations. As a student you will enjoy close access to your professors for mentoring and networking throughout your degree program. By learning from skilled practitioners, you will develop strategic leadership skills in an environment that fosters experiential learning.

To accept this invitation and secure your enrollment at The University of Tampa, a \$300 deposit is required. It is recommended that you submit the deposit within thirty days of the date of this acceptance letter, or one week prior to the official semester start date, whichever comes first. The preferred method of payment is online via your SpartanStart — Graduate portal (please see the attached instructions). This nonrefundable deposit will hold your seat in the program, and is credited to your student account where it will be applied towards your tuition during your first semester. Note that your acceptance is contingent upon receipt of final transcripts of all colleges attended and all other required documents.

Housing is available on a limited basis for full-time graduate students and only for one calendar year. While housing is not guaranteed, students who submit the \$500 residential admission deposit and online housing application earlier have a better chance of being housed in a University of Tampa residential facility. See the attached page with instructions on how to pay your deposit and submit your housing application. The requirements of your degree program are outlined in the University Catalog.

You will soon receive additional information from the Office of Graduate Business Programs regarding course advising, registration, and orientation. Next steps and orientation information is available on your SpartanStart — Graduate portal

Welcome to The University of Tampa! I certainly hope that you will decide to pursue your graduate degree with us. If you have any questions, please contact our office at (813) 258-7409 or grad@ut.edu.

Sincerely,

AG *Goon*
