 Organizing Chairman, GATE 2023
 on behalf of NCB-GATE, for MoE

10ceb0a1ba68a71a148716d724d0059

* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

General Information

The GATE 2023 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,
 M is the marks obtained by the candidate in the paper, mentioned on this GATE 2023 scorecard
 M_q is the qualifying marks for general category candidate in the paper
 M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
 S_q = 350, is the score assigned to M_q
 S_t = 900, is the score assigned to M_t

In the GATE 2023 score formula, M_t is 25 marks (out of 100) or μ + σ, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2023 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2023 was organized by Indian Institute of Technology Kanpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

About Your GRE Score Report

Score Reporting Policies

With the Score Select feature, you can decide which test scores to send to the institutions you are applying to. There are three options to choose from:

- Most Recent option - Send your scores from your most recent test administration.
• All option - Send your scores from all administrations in the last five years.
• Any option - Send your scores from any GRE test administration in the last five years (this option is not available on test day when you select up to four GRE score reports).

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no complete indication of you have taken additional GRE tests. See the GRE's Information Directory for details. The policies and procedures explained in the ScoreSelect for the current testing year supersede previous policies and procedures in a previous testing year.

Scores will be sent to designated score recipients approximately 10-13 days after a computer-optimized test and 5 weeks after a paper-based test. If your scores are not available for any reason, you will see "Not Available" in your Test Score History.
