JUBILATION 2K23

As per the culture of Narasaraopeta Engineering College (NEC) every academic year NEC organizes inter college technical fest (JUBILATION) for the aspirants assembling from various engineering colleges with a very high competitive spirit to participant and with the strong determination to include their achievements & accomplishments to their resumes. These fests are organized every year with the objective to provide platform for the students to showcase their talent with a competitive spirit. Event was started with lamp lightning by Chairman along with the other dignitaries.

The event was successful enough to attract as many as 480 registrations across the country for a national level fest which includes all the events. Students are actively participated in all the events and presented their work. The fest executed with a total of 10 events planned and organized at its best of quality. Focusing on the types of events to include in the fest was decided by fest coordinators keeping the interest and need of the engineering student into consideration, with little emphasis on the fun full events behind the scene. The events like paper presentation, poster presentation, project expo, programming contest, and many more events were equally planned, executed and have managed to gather maximum response. As far as Paper presentation event is into consideration the registrations were done in advance as the paper scrutiny needed to be done and to give opportunity to present best innovative idea submitted during the fest days.

The winners were encouraged with a certificate, as well as cash prizes.
