Criterion 7 - Institutional Values and Best Practices:

7.1.1 Measures initiated by the Institution for the promotion of gender equity during the last five years.

Gender equality is one of key challenges facing in society today. Gender sensitivity is an inherent value in the cultural ethos of the institute, as is evident by the following facilities,

A. Safety & Security:

The Institution has special cell called **Student Grievances Redressal Cell** through which addresses student's grievances related to academic and non-academic problems.

B. Hi-Tech Surveillance system:

E- Surveillance with cameras through 24X7 to track activity of every student thus ensuring their safety inside the campus.

C. Hostels:

Students are monitored under well-defined rules and guidelines of wardens. Wi-Fi enabled reading room is available in women's hostel.

D. Medical Facilities:

Health centre with a qualified doctor and nurse is available in campus to provide medical care. Specialists are also invited to visit the campus if necessary.

E. Girls Rest Room:

In each block of the campus, girl's waiting room is available with all facilities.

F. Counselling:

NEC has consistently strived to address contemporary issues like gender sensitization, women concern, teasing, ragging etc. under the anti-ragging committee to counsel them amicably.
