ANALYSIS REPORT STUDENT FEEDBACK ON CURRICULUM (Student's)

Academic Year: 2023-24

OBJECTIVE OF THE FEEDBACK:

The main objective of the institution is to provide the best possible environment and learning experience for students to encourage in gaining the knowledge and polishing their skills to perform their full ability for academic achievement.

The stakeholders, students, teachers and employers play a critical role in the evolution, development and enhancement of excellent of this learning process.

In this connection institution subsequently collects feedback form all of the stakeholders (Students, Teachers, Alumni and Employers) for each academic year on curriculum /syllabi to assess its provider policies can be revised and make changes as in line with stake holder's requirements.

STUDENT'S FEEDBACK ON CURRICULUM:

The students' feedback on curriculum is designed to get formative feedback from students that can be used towards the improvements in the quality of course design and delivery, as well as student learning experiences.

In this session 2023-24, the college collected the feedback from around 323 students of different streams. The facts are analysed, and their suggestions are taken into consideration for feasible incorporation in the curriculum. 2023-24

ANALYSIS:

The student's feedback on curriculum was taken from the students of Under Graduation and Post-Graduation at the end of each semester / academic year.

SUMMARY:

- + From the bar chart 58.9% of the students gave feedback as extremely good that the curriculum/syllabus was challenging.
- + 37% of the students gave feedback as adequate about the sequence of the units/modules of the course.
- + 60% of students gave feedback as very good in the depth of the syllabus of the course in relation to the competencies expected by industry / current global scenarios.
- + 57% of the students gave feedback as Satisfactory about the flexibility in choosing of elective in relation to technology advancements
- + 61% of the students gave feedback as very good about the adequateness of the text book and reference book mentioned for the course.
