ACTION TAKEN REPORT EMPLOYER'S FEEDBACK ON CURRICULUM SUMMARY

Academic Year: 2024-25

Based on the feedback received, the following actions have been initiated to further strengthen the curriculum:

1. Curriculum Enhancement

- Periodic review of syllabus to include recent developments and industry-relevant content.
- Strengthening applied and practical components through projects and case studies.

2. Skill Development

- Our college is going to introduce an AI-based online platform FLUENT EDGE for B.Tech students of all four years to improve their communication skills. This platform will be useful for both students and faculty, as it helps in continuous learning, assessment, and skill development

3. Experiential Learning

- Expansion of field visits, internships, in-plant training, and project-based learning.
- Increased collaboration with industry and research organizations.

4. Training and Placement

- Strengthening placement training through mock interviews, aptitude training, and industry interaction sessions.
- Enhancing alumni involvement for career guidance and mentoring.

5. Learning Environment

- Continuous improvement of infrastructure, digital learning resources, and student support systems to maintain a positive learning ambience.
