

International Journals (2025-26)

1. Dr. SK.MD. Shareef “A Hybrid cyber security for framework for Smart EV cloud systems using fuzzy logic, Machine learning and Block chain” Journal of theoretical and applied information Technology (IJTIT.ORG). 30th November 2025, Volume 103, No-22 , ISSN:1992-8645, (E-ISSN:1817-3195)
2. Dr. SK.MD. Shareef “Smart Energy Management for Renewable-Powered EV Charging Stations Using Advanced CNN Models” International Journal of Research and Analytical Reviews (IJRAR.ORG). June 2025, Volume 12, Issue 2 www.ijrar.org (E-ISSN 2348-1269, P- ISSN 2349-5138).
3. Mr.PDVSK.Kishore “A Deep Learning-Based Approach for Enhancing the Dynamic Behavior of Single-Phase Permanent Magnet Brushless DC Motor” International Journal of Research and Analytical Reviews (IJRAR.ORG). June 2025, Volume 12, Issue 2 www.ijrar.org (E-ISSN 2348-1269, P- ISSN 2349-5138)

International Conference (2025-26):

1. Dr.SK.MD.Shareef “Reliability evaluation of dielectric Materials by accelerated low temperature aging tests in LN₂”, 17th International conference on Material Processing and Characterization (17-ICMPC-2025) from 27th November to 29th November 2025 held at Sarawak. Malaysia.
2. Dr.SK.MD.Shareef “Enhancing the performance of electric materials by regulating their properties via Hot Isostatic Pressing”, 17th International conference on Material Processing and Characterization (17-ICMPC-2025) from 27th November to 29th November 2025 held at Sarawak. Malaysia.
