Sure 😊 here's the updated version with two more lines:

1. Organize regular faculty training and industry interaction programs to keep teaching methods updated and practical.
2. Implement personalized mentoring and feedback systems to support students' academic growth and improve learning outcomes.
3. Encourage students to take part in research, innovation, and skill development activities to enhance their knowledge.
4. Conduct regular feedback sessions to identify areas for improvement in teaching and learning practices.

Hi

no suggestions

Practice well

👍

Nothing to say

The fee of the CRT is increased compared to last time and classes are started at the end of the

semester

Communication skills

Encourage more practical and project-based learning for better skill development.

Use modern technology and interactive tools to make teaching more engaging.

Adopt continuous evaluation methods to assess students' overall progress.

Use smart classrooms, digital content, and interactive tools like quizzes, simulations, and videos.

To improve more information skills

CRT class fees was very high and also CRT classes will be late it is not satisfied

Lecturer's should say some slowly

Give more time for external exams

Use projector sometimes while saying class

Give more computer labs

Communicate with students

Good college to study

Need more practical explanation and also live examples

Placement in clg

All are Good in our college

Coordination,more interactive, clarity
