## ALUMNI ASSOCIATION

Narasaraopeta Engineering College takes profound pride in the accomplishments of its distinguished alumni, who have consistently demonstrated excellence through successful placements and leadership roles across diverse professional domains. In recognition of the pivotal role played by its alumni community, the institution established the **Narasaraopeta Engineering College Alumni Association (NAA)**, duly registered under Ref. No. 275 of 2021 with the Office of the Registrar of Societies, Narasaraopet.

The primary mandate of the NAA is to foster a strong and enduring connection between former students and their alma mater. The association actively coordinates a wide range of initiatives, events and engagement activities designed to support institutional advancement. A dedicated Telegram communication platform further facilitates seamless interaction among alumni members.

The governing body of the Association comprises the President, Vice-President, Secretary, Treasurer and Joint Secretary, who collectively oversee administrative functions, financial management, and event coordination. Alumni associated with NAA have secured commendable positions in reputed organizations such as CGI, TCS, Infosys and various other esteemed companies and government sectors. Their roles span across domains including Software Engineering, Research & Development and Non-Destructive Testing Engineering, among others.

NAA continually encourages its alumni to contribute to the academic and professional growth of current students by delivering technical lectures, conducting career guidance sessions, offering mentorship and supporting various academic excellence initiatives. The association also recognizes outstanding student achievements through awards and merit-based acknowledgments. Additionally, NAA plays an instrumental role in facilitating campus placements, project guidance, employee referrals, industrial visits and other collaborative activities that contribute significantly to the institution's ongoing development and sustained success.
