## *e-Governance Policy*

For an educational institution to recognize nationality and internationality, it has to have a good e-Governance Policy. It is an essential component for the overall growth and development of a Professional institute Like NARASARAOPETA ENGINEERING COLLEGE. To maintain and establish itself as one of the country's Institutes of Excellence in Professional higher education, the institution has begun implementing several e-Governance Initiatives. For the system to function properly, governance must be participatory providing speedy information, dissemination, improving administrative efficiency and public services in all the aspects education.

### **Objectives:**

1. Implementing e-Governance in various aspects of the institution
2. Improving the efficiency of our operation
3. Promoting transparency and accountability
4. Achieving paperless institution administrations
5. Facilitating online internal and external communication among the institution's various entities.
6. Making information readily available
7. Making the institution visible globally

### **Policy:**

e-Governance is utilized in the following areas to provide a simple and efficient governance structure within the institution.

For the convenience of usage, the approach is separated into district service areas. These operating areas are illustrative and the organization reserves the ability to implement e-Governance in areas not specifically mentioned here.

## **Website:**

The college's website should be updated to reflect the most recent developments. The website will serve as a mirror of the college's operations, providing visitors with information on all activities, vital updates and other relevant information. This will be handled by a different services provider/web designer, which the chairman will chose. In addition, current employees should be trained and personnel in charge of website management and upkeep at the college level should be identified.

## **Student Admission:**

The college has decided to conduct admissions online. This will cover administrations to all courses whether graduate, post graduate, PhD, Diploma or autonomous courses. Fee collection and other related payments are done online (Digital Transaction). The principal is given the authority to make reasonable decisions and designate the people who will be incharge of putting the policy into action.

## **Accounts:**

The institutions already use CAMU ERP software to keep track of its finances. For transactions confidentially, appropriate security measures should be taken. Current personal must be qualified and existing software must be upgraded on a regular basis.

## **Administrations:**

To provide a hassle-free, convenient and low-cost process, the majority of the institution's administrations should be handled using existing ICT- based technology, such as ERP software. Employees should, among other things be able to manage their leaves remotely receives e-copies of their pay stubs and communicate with one another internally. Students must also be able to access as many online resources as possible, such as transfer certificate, bonafied certificates and so on.

## Library:

We are fortunate to have one of the country's best libraries. To continue this tradition, we must provide more and more e-learning opportunities for teachers and students. The library must be regularly updated. Environ Software's Lib Soft rendition 9.8 is utilized to automate the library. To utilize the library's administrations, the Koha programming is utilized. Similarly, newer e-learning materials, such as journals, should be listed and subscribed to based on the recommendations of the library advisory committee. Teacher's and students' recommendations must be considered when subscribing to these services.

## Examinations:

Exams must be administered online in accordance with the University's guidelines. Filling out examination forms, revaluation forms, photocopy forms, obtaining hall tickets, receiving examination papers, uploading grades and so on must all be done online. When handling examinations, absolute secrecy and confidentiality must be maintained and work must be completed with extreme care and caution. Under the supervision of the college's principal, the college examination officer is responsible for overseeing the entire examination process.

[See rule 16CC and 17B]

Audit report under clause (b) of the tenth proviso to clause (23C) of section 10 and sub-clause (ii) of clause (b) of subsection (1) of section 124 of the Income-tax Act, 1961, in the case of a fund or trust or institution or any university or other educational institution or any hospital or other medical institution

We have examined the balance sheet of GAYATHI EDUCATIONAL DEVELOPMENT SOCIETY (name of the fund or trust or institution or any university or other educational institution or any hospital or other medical institution) as at 31-Mar-2025 and the Income and Expenditure account or Profit and Loss account for the year ended on that date are in agreement with the books of account maintained by the said fund or trust or institution or university or other educational institution or hospital or other medical institution.

We have obtained all the information and explanations to the best of our knowledge and belief which are necessary for the purposes of the audit.

In our opinion, proper books of account have been maintained at the registered office of the above named fund or trust or institution or university or other educational institution or hospital or other medical institution at the address mentioned at serial number 14 of the Annexure:

In our opinion and to the best of our information and according to explanations given to us, the particulars given in the Annexure are true and correct subject to following observations or qualifications:-

- (a) These financial statements are the responsibility of the management. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information, and according to information given to us, the said accounts give a true and fair view:-

- (i) in the case of the balance sheet, of the state of affairs of the above named fund or trust or institution or university or other educational institution or hospital or other medical institution as on 31-Mar-2025; and
- (ii) in the case of the Income and Expenditure account or Profit and Loss account, of the income and application or profit or loss of its accounting year ending on 31-Mar-2025.

Subject to the following observations/qualifications:-
